Prayer for Gracious Gratitude

Hello, beautiful. This is Jennifer Hadley, and I am wishing you a very happy Thanksgiving.

Our prayer for today is for gracious gratitude.

God's grace infuses our attitude and lifts us high.

We are grateful and thankful to place our hand upon our heart and to open our heart, open our mind to a flow of gratitude.

We are grateful that God is, and God is our life. We are grateful to allow ourselves to be lifted and shifted with gratitude, with love.

We are grateful that God's infinite grace is our very nature, our life. It's always active in our life.

So we are surrendering to God's infinite grace, and we are grateful. Gracious gratitude is our prayer.

And the gracious gratitude is for our willingness to let the past go, our willingness to rise up, our willingness to love our brothers and sisters and to give thanks for them, even if there's so much that we don't like, even if what's going on makes us so angry and we feel so hurt.

At last, we still are willing to be grateful, even for what we don't understand.

Grateful because everything is part of the unity of all life. Everything is part of God's infinite grace.

We are grateful for God's infinite grace active in our awareness, in our life, in our relationships and experiences.

So grateful that everything is God-infused. Everything, everything, everything.

So we are rising up. We're remembering the truth, and we are sharing the benefits with everyone, everywhere, because we are forever one with them.

So we give thanks for them. We give thanks for every single one. No one left out. Not for what they do, not for what they say, but because we are one, we give thanks.

Our willingness to give thanks for the unity of all life restores our mind. It restores our heart, and we are grateful for this healing.

We share the benefits of our healing with everyone, everywhere, because we're one with them and because they gave it to us.

So grateful for our willingness. We let it be, and so it is.

Amen. Amen. Amen.

Yes! Thank you so much for being my prayer partner. Thank you for being willing. Thank you for meeting me in these prayers. I so appreciate you. I really, really do.

And there's always so many things coming up. Masterful Living, forgiveness workshops—they abound. But today we're celebrating that we have things to be grateful for.

I love you. Happy Thanksgiving!
