Prayer for Healing with Love

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for healing with love.

Yes, we're letting love lead, guide, and teach us, inform us.

Oh my goodness, let's place our hand upon our heart and call for an extraordinary, miraculous healing.

We are letting love heal us. We are willing to heal at all levels, so we're healing at the level of the mind and the level of our emotional life, our relationships, our finances, our creativity, every aspect of our life and being.

We are invoking love into the midst. We are grateful and thankful to call for miraculous healing, to allow it to unfold with ease and with grace.

We are willing to let the past go, so we are truly allowing ourselves to be free of the root causes of pain and suffering because we're willing to let go of the decisions we made about ourselves and about life so that we can let the love flow.

We're letting go of the blocks to love, and we are letting the love flow in our heart and mind, in our conversations and activities, in our thoughts, everywhere we place our attention.

We're allowing the love to flow so that we're seeing with new eyes, we're hearing with new ears.

So grateful to allow this transformation to unfold with ease and with grace. We are truly accepting this healing that love is providing us right now.

Share the benefits with everyone, everywhere, because we are forever one with them.

We let it be, and so it is.

Amen. Amen. Amen.

We are blessed. So much blessing. Yes, yes, yes!

Thank you for being my prayer partner today. What a heart-opening prayer! Wow. Powerful, powerful, powerful on this full moon. Amazing moon yesterday.

And let's see what's going on.

Masterful Living registration is open, and the sooner you register, the more bonuses you get.

And next forgiveness workshops are December 5th and 6th.

Everything is at powerofloveministry.net, and I invite you to go and check out all the things that we have going on there. Lots of good stuff.

I really appreciate this prayer for healing with love, and on the eve of Thanksgiving, I love you.

Have a powerful healing day.
