Prayer for Letting Love In

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for letting love in.

Yes, let us be the perfect receivers of love, all love flowing to us from our Creator, and we are grateful to receive.

So we place our hand upon our heart, and we lift ourselves with a breath of gratitude. Love and gratitude. This is where our focus is, raising our vibration.

So grateful to lift ourselves high above the battlefield and to remain there. So grateful to allow ourselves to relinquish the blocks to love and open to receive the flow of love that is always available to us.

We're welcoming right here, right now. We are entitled to miracles. We are entitled to love, and love is a miracle in our mind.

So we're opening our mind to just how worthy we are, and everyone is, of the love of God.

So we're opening ourselves to receive. We're letting the love in, and we're letting other people love us.

We are grateful and thankful that love is not an obligation. Love is not strings attached. Love is not demands. Love is not painful. Love is our very essence and nature. What a delight!

We are grateful and thankful to remember the truth about ourselves, and to let the love in. Love is our healer, and we're letting the healing in.

So grateful to allow it to unfold with ease and with grace, with beauty. It's magnificent.

We are truly sharing the benefits with all. We let it be, and so it is.

Amen. Amen. Amen.

Yes, it's happening! We're letting the love in. Yes, let the light and the love and the sunshine into our very being.

Thank you for praying with me today. I think letting the love in is so restorative, and we can use that today and every day. Yes, I know I can.

So what's coming up?

Masterful Living registration is open for next year, and the bonuses are happening now, so the sooner you register, the more bonuses you get.

Masterful Living, our year-long program. And if you have never been in Masterful Living and you're thinking about it, book an exploratory call with one of the counselors. They can answer any and all questions that you might have about any of our programs, and that's a free call.

Next forgiveness workshops: two workshops, December 5th and 6th, Saturday and Sunday. I hope to be with you then.

And in the meantime, have a beautiful, blessed, powerful day letting the love in.
