Prayer for Today
with Jennifer Hadley

Prayer for Receiving the Blessings

Hello beautiful this is Jennifer Hadley and our prayer for today is for receiving the blessing receiving the blessings oh the multitude of blessings that are ours to receive we open to receive them right here right now and continuously be in a flow and Niagara Falls of blessings upon our heart and mind and niagara falls of blessings upon our relationships upon our life upon the healing of the body temple and the restoration of our harmonious nature so we are grateful and thankful to welcome all these blessings. We are grateful to place our hand upon our heart and declare our willingness to receive all the blessings that are ours to receive today fully and completely. We're opening ourselves and becoming more receptive than we've ever been to the good to the flow of good to the harmony and the peace and the joy and the freedom and the clarity the creativity, the beauty, and so much more. It is ours now and forever, we are grateful and thankful to welcome this flow of blessings into our life and our experience in our relationships into our neighborhood and our workplace, we welcome all these blessings we are so receptive because we know that we are deserving of every blessing that is sent our it may look as though you don't deserve one blessing or another, but the truth is, we do deserve and the truth, it is what we are interested in remembering that we are worthy, and all are worthy that there are an infinite number of blessings for us to receive, and we are truly deciding to receive them right now we share the benefits with everyone everywhere because we are forever one with them in gratitude we allow it to be and so it is amen amen. Oh man yes yes yes, so good thank you for praying with me today. Thank you for being willing to receive the blessings. Oh so good all right so what is

coming up is next weekend family forgiveness workshop on Sunday regular forgiveness workshop on Saturday. You can bring any issue you would like to any forgiveness workshop that's up to you, but I do like to do a little bit of this family forgiveness focus while we're in the holidays so that's December 5 and sixth master living registration is open right now and the next bonus that will be expiring is the free well bonus deep dive workshop, which is on the second Saturday of december and that is about releasing the repeating patterns that drive us crazy and so that's the December deep dive there's a whole bunch more bonuses for those who are enrolled in masterful living, and so you can tune into that and what else is going on. I think those are the main things and I love you. I thank God for may you have a day being extremely receptive to the blessings?
