# Miracle-mindedness

Welcome to *A Course in Miracles: Living the Love, Walking the Talk* with Reverend Jennifer Hadley. Get ready to focus on your intent to be the Love, be the Peace, through practical application.

Here is your host, Reverend Jennifer Hadley.

Jennifer      Good morning! So happy to be with you today! Yes, I'm in Kauai, so the sun is not up yet here at 5:00 in the morning, though the roosters have started crowing.

Yeah! I'm excited for our broadcast today. It's called a "show" but I don't think it's much of a show. [laughs] It feels more like a class to me, and I'm so grateful to share it with you today, so let's jump right in here and begin with a prayer, as we always do. I'm Jennifer Hadley and that's how I roll. I love to pray!

## *Opening Prayer*

---

We take a breath together, and I invite you to place your hand on your heart. Or, like me, I've got both hands on my heart.

I'm so grateful and so thankful for the Love of God. So grateful and so thankful to claim my right mind, the miracle mind.

So grateful and so thankful to Partner UP with the Higher Holy Spirit Self and remember that our true identity is perfect Love, that we are the perfect givers and receivers of Love.

We take this deep breath of Love and gratitude, and we partner with the Higher Holy Spirit Self, the I AM that I AM, and we say "Teach me, lead me, guide me. Help me to set myself free. Help me to give up every attachment to wrong-mindedness. Help me give up every place in my mind where I treasure the meaning I have made of things, rather than to live a miraculous life."

## *A Course in Miracles* Weekly Radio Show with Jennifer Hadley

I am grateful and thankful to choose Freedom, grateful and thankful to choose Love, Light, the Atonement.

In grace and in gratitude, we share the benefits with everyone, because we're One with them. In grace and gratitude, we let it be. And so, it is. Amen. Amen. Amen. Amen. Whew!

### *Return to Innocence*

---

As God would have it, I was looking through the *Course* and came upon this section. I immediately knew this would be the topic of our joining together today. It's in Chapter 3, Section II. Chapter 3 is entitled *The Innocent Perception*. This is what we are interested in, we're interested in a return to innocence, a return to that mind that is free. Right-mindedness. This is the mind that we **started** with. We started this journey in our right mind, and we got off track for the learning of it. Yes.

Now, we're remembering our true identity is perfect Love. We're coming back to ourselves, and this is our journey.

In Section II, which is entitled *Miracles as True Perception*. Paragraph 3, here's where I'm going to begin.

You know, one of the biggest questions that I get from people, in one form or another, the question comes and it's, "How can I stop obsessing with negative thoughts?" is one way it comes. Another one is "Do my thoughts of negativity really affect other people?" Another way it comes is "How can I be truly helpful to someone who's struggling?" All three of these questions share the same answer, and the answer is to be able to see them correctly, to be able to see **everybody** correctly. It's the greatest gift that we can give ourselves **and** is the greatest gift we can give them.

This is why *A Course in Miracles* tells us over, and over, and over again that our brothers and sisters -- of course, the *Course* doesn't use the word "sisters" or the word "mother" so it's our Father and our brothers, because it was really written for a Christian audience, and to not turn those people who are attached to that gender terminology, as I understand it. Anyway, I don't need to have any opinions or judgments about it. Just accept it for what it is, and the teaching has helped me so much, I'm not interested in criticizing it in any way.

## **A Course in Miracles Weekly Radio Show** with Jennifer Hadley

Our brothers and sisters are so helpful to us because they help us see when we're in our right mind and when we're wrong-minded, when we're attached and identified with the ego, with the body. And, our brothers and sisters also help us see, in our mind, when we're truly interested in Unity, in Oneness, in the Atonement. How we perceive our brothers and sisters, how we hold them in our heart and mind, **this** is the indicator of where we **are** in our mind -- right-minded or wrong-minded.

One of the things that is important for us to understand, in terms of being miracle-minded -- which is the topic of this show -- being miracle minded really is being in your natural state. Because when our mind is clear of false beliefs and perceptions -- the story that we made up, the meaning that we made up things -- when our mind is clear and innocent, **then** we are going to be miracle-minded, and we'll be in that miracle frame of, mind if you will.

### What is a Miracle?

---

One of the things that's really helpful to understand is a miracle, what it is, a miracle is when we are shifted from ego identification, ego thinking, to right-minded thinking.

Now, in our human experience, we think the miracle is the **demonstration** of miracle-mindedness. We think that the miracle is the **demonstration** of right-mindedness. We might think that, "Oh, my gosh! There's a parking spot for me in this incredibly crowded space." When you would think it would be impossible to find a parking spot, I found one. The miracle is I lost Betty's phone number, and Betty calls me. I desperately need to reach her. That's what you might categorize as miracle. A miracle is I need a \$1,000 to pay my rent, and today the check for \$1,000 came out of the blue. That's a miracle! That's what we think.

But, I think it's **really** helpful to understand, **those** are **not** miracles! Those are **demonstrations** of miracle-mindedness. The miracle is when we allow the Holy Spirit into our mind. and we cherish being right-minded. That's where the miracle really takes place.

In this Chapter 3, Section II, Paragraph 5, it says here,

*"Nothing can prevail against a Son of God who commends His spirit into the Hands of his Father. By doing this the mind awakens from its sleep and remembers its Creator."*

## A Course in Miracles Weekly Radio Show with Jennifer Hadley

Let's **really** pay attention to this, because this is the core here, to me, of miracle-mindedness.

*“Nothing can prevail against a Son of God who commends His spirit into the Hands of his Father. By doing this the mind awakens from its sleep and remembers its Creator. All sense of separation disappears. The Son of God is part of the Holy Trinity, but the Trinity Itself is One. There is no confusion within Its levels, because They are of one Mind and one Will. This single purpose creates perfect integration and establishes the peace of God. Yet this vision can be perceived only by the truly innocent. Because their hearts are pure, the innocent defend true perception instead of defending themselves against it. Understanding the lesson of the Atonement they are without the wish to attack, and therefore they see truly. This is what the Bible means when it says, “When he shall appear (or be perceived) we shall be like him for we shall see him as he is.”*

One with us. That says He is One with us.

*“Nothing can prevail against a Son of God who commends His spirit into the Hands of his Father.”*

Just think, for one moment, anything you're concerned that could prevail against you. It might be financial debt, worry. It might be somebody else's opinions, attack thoughts. It might be illness.

---

The Atonement is the  
full recognition  
that separation  
never occurred.  
It doesn't exist!

---

*“Nothing can prevail against a Son of God who commends His spirit into the Hands of his Father. By doing this the mind awakens from its sleep and remembers its Creator. All sense of separation disappears.”*

You see, we're created in the image and likeness of God, with this Perfect Mind of God, and we have the right to use it. We can choose the Atonement for ourselves. The Atonement **is** the full recognition that separation never occurred. It doesn't exist!

*Nothing real can be threatened. Nothing unreal exists.”*

Threats are misperception. The belief that you're threatened is a misperception. It's evidence that your mind it's not right-minded -- it's wrong-minded. You believe in your opinions. And the opinion is not just that **you're** being attacked or that you're vulnerable. It's that you, **too**, can attack and that **others** are vulnerable.

## ***A Course in Miracles Weekly Radio Show*** **with Jennifer Hadley**

So, if you believe **you** can be attacked, you'll believe you can attack. If you believe you can attack, you'll believe that **you** can be attacked.

### *Commending Your Spirit*

---

Coming back to Love, coming back into your heart, and commending your Spirit into the hands of God --

*“By doing this the mind awakens from its sleep and remembers its Creator.”*

One of the tools that we have in this world of effects is, when we're in pain, when the mind is in pain, when there's distress of any kind, we can **commend** our mind, our Spirit, into the hands of the Father, and say, “Ugh! I'm not interested in separation anymore! I'm not interested in suffering anymore! I'm interested in being miracle-minded, right-minded.” Because the miracle-minded person **cannot** experience lack, because all of Heaven will respond and bring forth whatever is needed.

This is what Jesus was saying, that “If no one will listen, I'll command the rocks.” Jesus, His experience in His human life, was not an error. Even being tortured -- not an error! It happened to illustrate His lesson that He came to teach, which is forgiveness, Atonement, ascension, transfiguration. He taught all of that through His journey. And what did He say to us? “Even more shall you do.” So, let's get about of doing it!

---

**The miracle-minded  
person cannot  
experience lack,  
because all of Heaven  
will respond and bring  
forth whatever is  
needed.**

---

*“Nothing can prevail against a Son of God who commends His spirit into the Hands of his Father. By doing this the mind awakens from its sleep and remembers its Creator.”*

So, if you notice that you **are** thinking negative thoughts about anyone, worried thoughts -- you're worried about your child or your grandchild, you're worried about yourself, your finances -- commend your Spirit into the Hands of the Father. Right then and right there, say “Higher Self, Holy Self, Holy Spirit, I commend my Spirit into the Hands of the Father. I'm not interested in thinking these thoughts of lack and limitation, separation. I'm not interested in them **anymore**. I'm **only** interested in knowing that I am

## ***A Course in Miracles Weekly Radio Show*** with Jennifer Hadley

One with the Infinite, I am One with the Creator, and that this world is an illusion, and that I am innocent! No matter what I have done, no matter what I have thought, no matter what I have said, my true nature is innocent! I'm setting myself free, I'm setting my brothers and sisters free, I'm commending my Spirit into the Hands of God, I'm choosing my Freedom, right here and right now, in this moment. This moment is the moment of my Freedom song, right now! I don't need to wait, and I don't need to delay. I don't need to hear the angels singing or someone's permission. I get to choose! **Now** is the time!"

Now, we might have to do this hundreds or thousands of times before we **sincerely** mean it. Because sometimes we'll say, "Oh, well, I'm going to give my life to God. I'm going to commend my Spirit to the Father," just because we think, "I'm going to hide. I'm going to hide in the Love of God. I'm going to hide in my Father's Arms. He's going to protect me." You see? That's **not** understanding what we're talking about here, with true perception. [technical issue]

"I am the innocent! And so are my brothers and sisters. As I see them, I will see Self, and I am choosing see us all as free. I'm choosing to be miracle-minded."

---

***As I see them,  
I will see Self,  
and I am choosing see  
us all as free.  
I'm choosing to be  
miracle-minded.***

---

We speak that we don't know how. That's one of the most common excuses we have. "I don't know how! I don't know how!" "It can't work for me!" This is **false!** It **has** to work for you, and you're perfectly able, right where you are.

The thing is, is to be **willing** to be miracle-minded in order to **experience** the miracles and see and live the demonstrations. **Doing** it just to get more ease and grace, it doesn't have the same strength as really saying "I'd like to know myself as I truly am, as innocent, perfect Love. I'd like to know my brothers and sisters that way, too! I'm sick and tired of this false view! Enough already of the meaning **I** have made of things! **Now**, it's time for the truth!" Give it a go! Start to practice that! **So simple! So powerful!**

I'm Jennifer Hadley and you're listening to *A Course in Miracles* on Unity Online Radio, where we're living the Love, walking the talk, and I'll be right back.

### ***Radio Podcasts & Study Groups***

---

Jennifer      Alright! I'm Jennifer Hadley. Welcome back! We're talking about being miracle-minded.

Let me just mention that this radio program, we are coming up on our 200th episode. Thank you to all the folks who've been listening since 2011. I started off with Gary Renard, and Ken Wapnick. Oh! I've had a lot of guests over the years! I so appreciate your listening and your sharing.

Just a reminder that you can get all the episodes, totally for free, at [iTunes](#) and other podcasts outlets like Stitcher. If you just even Google -- or go to the [Unity.fm website](#), you can find the radio show and you can download and listen to all the episodes at your leisure, totally for free.

If you value it, we are a non-profit organization. The Power of Love is supported by your donations, and we buy this radio show, and it's one of the benefits. If you appreciate the radio show, please consider making a contribution at [PowerofLoveMinistry.net](#). Also, you can write a review wherever you get your podcast from. The more reviews you write, the more that podcasting system will share the radio show with other people, and other people will find it.

And since it's free -- really, so many people told me over the years that this radio show really helps them to move into **living** *A Course in Miracles* versus just **studying** it. One of the reasons why I keep doing the radio show is because I consistently hear from people all over the world who do not have a Study Group near them, who would like to have a Study Group to go to. This radio show supports them. Not the same as a Study Group, but it does support them.

Speaking of Study Groups, at [LivingACourseInMiracles.com](#), we have free [Study Group support](#). So, if you are interested in listing your Study Group there, please fill out the calendar, that listing there. If you're interested in **starting** a [Study Group](#), you can put a listing there, as well. Sometimes that's how Study Groups get started, is people list things and then other people say, "Yeah! I'll join with you! "

## ***A Course in Miracles* Weekly Radio Show** with Jennifer Hadley

We have also Study Group support in the form of some [free classes](#) on how to run, start, facilitate, organize, promote, manage Study Groups. Those calls are pretty comprehensive, and will answer **a lot** of your questions. Then, we have [A Course in Miracles Study Group leader group at Facebook](#), as well.

Check out all those resources, and I encourage you, if you feel any inkling to start a Study Group, please do! The Holy Spirit **will** support you. It will bring **so much** benefit. I started the Study Group called "[Masterful Living through A Course in Miracles](#)" and it was on the phone, and you can get some of those recordings online. Yes, indeed!

### *Seeing Others as They Truly Are*

---

Alright! Let's jump back here to miracle-mindedness. Chapter 3, Section II, Paragraph 3,

*"When you lack confidence in what someone will do, you are attesting to your belief that he is not in his right mind. "*

This is one of the most challenging things that many of us deal with, is we have doubt! We have doubt in our brothers and sisters.

Now, when someone is identified with their ego, are they trustworthy? Well, yes! **They** are still trustworthy, but the **ego** is **not**. If they put the ego in charge, then we're not going to experience **them**. We're going to experience their **ego**.

This is one of the big challenges that we have, is to **really** be able to see our brothers and sisters as they are truly are, not as their ego, and to know that, even if they've **been** acting as their ego, even if they are **identified** with the ego, that's **not who** they are, and that they have the capacity to be their true selves, just like we **all** do. Being able to **see** that for people is **incredibly** beneficial to that.

*"When you lack confidence in what someone will do, you are attesting to your belief that he is not in his right mind. This is hardly a miracle-based frame of reference. It also has the disastrous effect of denying the power of the miracle. The miracle perceives everything as it is. If nothing but the truth exists, right-minded seeing cannot see anything but perfection. I have said that only what God creates or what you create with the same Will has any real existence. This, then, is all the innocent can see. They do not suffer from distorted perception."*

## A Course in Miracles Weekly Radio Show with Jennifer Hadley

If we're looking at somebody, and we're afraid that they're going to miscreate, we're afraid that they're going to make a mess of their life, we're afraid that they're going to steal from us, that they're going to hurt us in some way, or betray us in some way, we're not seeing them as they **truly are**. We're seeing **our perception** of them as being ego-identified. And, whatever they say or do, while identified with the ego, is part of the illusion. It's **not real**.

*"Nothing real can be threatened. Nothing unreal exists."*

Therefore, whatever they do while they're identified with the ego is part of the illusion. And what happens in the illusion, **stays** in the illusion. Now it says here,

---

Heaven is right here,  
if we choose it.

If we choose to align our  
will with Divine Will,  
Heaven is here.

---

*"You are afraid of God's Will because you have used your own mind, which He created in the likeness of His Own, to miscreate. The mind can miscreate only when it believes it is not free. An 'imprisoned' mind is not free because it is possessed, or held back, by itself. It is therefore limited, and the will is not free to assert itself. To be one is to be of one mind or will. When the Will of the Sonship and the Father Are One, their perfect accord is Heaven."*

*"...heaven is at hand."* This is what it says in the Bible. *"...Heaven is at hand."* it is right **here**. Heaven is right here, **if we choose** it. If we choose to align our will with Divine Will, Heaven is **here**.

*"Nothing can prevail against a Son of God, who commends his spirit into the Hands of his Father. By doing this the mind awakens from its sleep and remembers its Creator. All sense of separation disappears."*

### *Holding the Innocence*

---

The greatest gift that we can give to **anyone** is to see them with right-mindedness, to see their innocence.

I've had the experience, **so** often as a teacher, as a Spiritual Counselor, as a friend, as a daughter, as a sister, in all my different roles with people in this world, I've had the opportunity to practice this -- to see the person in their innocence in **my** mind, and to know and hold their innocence. Even if they seem to have done things that were miscreations, even if they had done

## *A Course in Miracles Weekly Radio Show* with Jennifer Hadley

things that seemed to work against me or to hurt me, to be able to see them in their innocence, and to know that's their true identity and the miscreation **isn't real**.

Now, to someone who's not truly living *A Course in Miracles*, that's going to sound like new age mumbo jumbo. It really is, and I understand that. It's a **deep commitment** to see that innocence and perfection in people, and that's **exactly** what Jesus came to teach us. That's **exactly** what He came to demonstrate, that miracle-mindedness, that right-mindedness.

Remember, it **is** done unto you as you believe. Do you wish to keep believing things that aren't true and re-experiencing them, re-experiencing them, re-experiencing them? **Or**, will you commend your Spirit into the Hands of your Father, your Heavenly Creator? Will you remember to **choose** innocence, to **choose** to the perfection, in your mind?

And, when it's **so tempting** to see others as wrong, and bad, and weak or depraved or deprive, to know that's not who they **really** are, that's not their true identity, and to not subscribe to it, but to pull your mind back and say, "I'm only interested in the truth. Love holds no grievances. My grievances hide the Light of the world in me, so I can give up all the grievances that I've held against **anyone** and everyone, including myself, in order to be in my right mind, in order to be in that miracle-mindedness."

### *Just Be Willing*

---

What I can tell you is for myself, for the folks who are in my *Finding Freedom* class -- I love it, my *Finding Freedom* class, my Spiritual Bootcamp class, because people are in the class and they're working their curriculum. And, because the way the [\*Finding Freedom Spiritual Bootcamp\*](#) is set up, people find that they can commit to really doing this work, aggressively doing this work of becoming right-minded, becoming miracle-minded. They start to experience the difference that makes in their life **very quickly**. It does stir up the pot, it does confront things, and that's exactly what people are looking for. They're looking for a pathway to really commit to **living** this teaching, **living** the Love, practicing it day by day, moment by moment, and not giving themselves **permission** to be wrong-minded.

What I love about this teaching is, it tells us over and over again, "Just reach out to Jesus. Reach out to the Holy Spirit. Reach out to the Father. Reach out!" All you have to do is say, "I'm willing! I'm willing to give up

## A Course in Miracles Weekly Radio Show with Jennifer Hadley

these false perceptions. I'm willing to give up these false beliefs. I'm willing to trade **my** beliefs for the truth. I'm willing to trade this sickness for the truth. I'm willing! I'm willing! I'm willing! "We'll be lead. We'll be guided.

As the *Course* talks about, and it talks about right here in Paragraph 4,

*"You are afraid of God's Will because you have used your own mind, which He created in the likeness of His Own, to miscreate. The mind can miscreate only when it believes it is not free. An 'imprisoned' mind is not free because it is possessed, or held back, by itself."*

Only **you** can hold yourself back. That's what it's saying! Everything in **your** life where **you're** feeling held back, **only you** can hold yourself back.

Any place in your life where you think **others** are holding you back, **others** are doing something **to** you, where you think **others** are to blame for your unhappiness -- or your challenges, your illness, or your financial challenges, whatever experience of lack or limitation that you think

someone else is responsible for -- if **you** will take responsibility for it, it's going to change. It's going to change. Partner UP! That's what I say. Partner UP with the Higher Holy Spirit Self. "I'm **only** interested in the thoughts I think with God. Grievances hide the Light of the world in me. I **choose** to release **all** grievances. I'm no longer interested in having any grievances! Fortunately, grievances aren't any fun!"

---

Whatever experience of lack or limitation that you think someone else is responsible for -- if you will take responsibility for it, it's going to change.

---

That's the signal! If you're unhappy, if you don't feel well, if you are miserable, if you feel afraid, all these are signs that you have chosen wrong-mindedness. You have chosen to believe that you are **not** innocent, or that someone else is **not** innocent, and you can change your mind and be restored! All you have to do is be willing. This is what this teaching is saying to us in **so** many different ways, and, here it is again that we **can** live in the miracle-mindedness and experience a life that demonstrates the miracles! Yes, indeed!

### ***Truth Overcomes All Error***

---

Jennifer      If there's someone in your life who is going through difficult times, the thing is to **know**, to really know, in your heart to the best of your ability that what **you** are perceiving as being wrong or bad -- "It shouldn't be happening to them" or "It's not good for them"-- is a misperception, because **nothing real can be threatened**, and to say, "I don't know what anything is for. I **do not know** what anything is for, except it's for my remembering, my remembering the truth."

"So, in this moment, I'm going to remember that nothing can prevail against the Son of God who commends His Spirit into the Hands of this Father. So, I'm placing **my** Spirit into the Hands of the Father, **and** I'm seeing that for **all** my brothers and sisters. I'm seeing the **total innocence** of all my brothers and sisters. Instead, of seeing this one as a drug addict, and this one as a money grubber, and this one as a lying fool, I'm willing to see the innocence and perfection, the Heaven at hand, right here, right now." **That** is how we cultivate our **own** miracle-mindedness. Yes!

## A Course in Miracles Weekly Radio Show with Jennifer Hadley

In Paragraph 6, here in this Chapter 3, Section II, it says,

*“The way to correct distortions is to withdraw your faith in them and invest it only in what is true.”*

Okay? So, what is true is **everlasting**. It's about **our** choosing **not** to invest in our misperception anymore. It says,

*“You cannot make untruth true. If you are willing to accept what is true in everything you perceive, you let it be true for you. Truth overcomes all error, and those who live in error and emptiness can never find lasting solace.”*

---

*If you are willing to accept what is true in everything you perceive, you let it be true for you.*

---

Now, I have spoken to so many people who are **distressed** about the choices their loved ones are making. The energy that we put into making those choices real, and seeing our loved ones as being inept, as being wrong, instead of being innocent, and saying -- really saying, as we look at them, "I don't know what anything is for. I commend my Spirit into the Hands of the Father, and I commend the Spirit of **all** my brothers and sisters into the Hands of the Father. I'm **only** interested in **seeing** the innocence, **knowing** that innocence, **feeling** the innocence, **experiencing** the innocence. I **do not** know what anything is for. My mind is **innocent** of false beliefs. My mind is **innocent** of guilt, and shame, and blame. I **do not** know what anything is for. My mind is free of opinions and judgements. There is nothing **for** me to forgive, because I have given **all** the meaning that I've made of things to God, to the Holy Spirit, for correction. I'm choosing innocence. I'm choosing right-mindedness. I'm choosing miracle-mindedness. I'm choosing to know the truth that sets me free. "

**This** is the relief of all suffering and all pain. It **can** seem hard to believe that it could be that easy. It does **seem** that way, but those are not just words. **That's** willingness. **That's** the power of willingness.

*“Truth overcomes all error and those who live in error and emptiness can never find lasting solace. If you perceive truly you are cancelling out misperceptions in yourself and in others simultaneously.”*

## A Course in Miracles Weekly Radio Show with Jennifer Hadley

Why? Because you're only seeing the projections of your **belief** in misperceptions.

*“Truth overcomes all error and those who live in error and emptiness can never find lasting solace. If you perceive truly you are cancelling out misperceptions in yourself and in others simultaneously. Because you see them as they are, you offer them your acceptance of their truth so they can accept it for themselves. This is the healing that the miracle induces.”*

### Forgiveness is True Perception

---

This is why, this is **precisely** why, forgiveness is **so profoundly healing**, because what true forgiveness **is**, is true perception. It is the **willingness to have** true perception. It is the willingness to see the innocence, and the perfection, and to give up all attachment to the meaning that you have made of things. **That's** what **true forgiveness** is. How amazing is that?!

Let's read this again. This is the very end of Section II, Chapter 3. This is Paragraph 6 here.

*“If you perceive truly, you are cancelling out misperceptions in yourself and in others simultaneously. Because you see them as they are, you offer them your acceptance of their truth so they can accept it for themselves. This is the healing that the miracle induces.”*

This is why,

*“Love holds no grievances.”*

For me that Lesson “*Love holds no grievances,*” it tells us that those who forgive will remember who they are, and those who do not forgive will **not** remember who they are. It's remembering who we are, that we are the Son of God, and that we **are** to experience miracles naturally and freely every day, in every way, that miracles are **not** the exceptions. It's when there's **not** a miracle that there's an exception to miracle-mindedness. There's an exception to right-mindedness when we're **not** experiencing a miraculous flow of Love, and Abundance, and healing, and Prosperity, and Joy, and Freedom. It's because we're **choosing** something else. We're choosing the meaning that **we've** made of things, we're choosing **our** perceptions of

things, and we can hand that over. We can commend our Spirit into our Father's Hands.

Now, people will get hung up on, "Well, exactly **how** do I do that?" It's not about making sure you have the exact right formula of words. Because as *A Course in Miracles* tells us, very clearly, what's known in your heart is known everywhere. So, if you're willing to see **one** person with true perception, but other people, no -- other people you really enjoy seeing the meaning you've made them -- then you're **not** accepting the Atonement for yourself. You're being **selective**. You're not interested in that Unity mindedness, you're not interested in the miracle-mindedness.

It's truly about giving up **all** false beliefs, **all** false perceptions. How you know you've got a false belief and a false perception is, it **doesn't** make you happy. You don't feel free. You feel afraid. You feel threatened. **That's** how you know.

That's what I love about this teaching, is that makes it so clear. We just come back to the same things, moment by moment, day after day. "Ah! Nothing can prevail against me because I am the Son of God. I'm not interested in energizing anything but innocence, and perception that's clear, for myself and everyone else. Therefore, I'm free, and so is everyone else. We're free to choose Love. Love is what **I'm** choosing now, and so **I am** living with miracle. **I am** aligned with Divine Will. My will **is** the Will of God, and I **will** to be free."

Whew! Oh, boy! This hour goes by **so** quickly!

Let's place our hand on our heart once again and declare our willingness to see and know the truth that sets us free, willingness to surrender all false beliefs, all false perception, all wrong mindedness, and to stand in our innocence.

So grateful and so thankful to take a stand for **our** innocence and the innocence of all beings. In grace and gratitude we share the benefits with everyone. We let it be. And so, it is. Amen. Amen. Amen. Amen.
