Valentine's Day Reboot

Welcome to *A Course in Miracles: Living the Love, Walking the Talk* with Reverend Jennifer Hadley, a beloved teacher of the *Course*, who has helped thousands learn how to express their beliefs from moment to moment in their everyday lives. Get ready to focus on your intent to be the Love, be the Peace, through practical application.

Here is your host, Reverend Jennifer Hadley.

Jennifer Good morning! Good morning, everybody! I'm in California on the Central Coast and it's gorgeous! The whales are swimming by on their way to Baja. I'm going to meet them there in a few weeks. I'm staying in a place with internet challenges, and no cell phone coverage. We finally figured it out how, to get through, and I'm grateful!

Let's begin with our prayer.

Opening Prayer

I invite you to place your hand on your heart. Ah!

We take that breath of Love and gratitude. So grateful and so thankful to be the two or more who are gathered in the name and the nature of Love, and to open our hearts and minds to the Higher Holy Spirit Self, to join together in perfect Love, perfect Peace, perfect Harmony.

Mmm! Taking that breath of Love and gratitude, we allow ourselves to know the truth that sets us free. We're grateful, we're thankful, right now to dedicate ourselves to **being our true selves**, rebooting with the Spirit.

We share the benefits with everyone, because we're One with them. Thank God for that!

In grace and gratitude, we **allow** our healing and our expansion to be. We **let it be**. And so, it is. Amen. Amen. Amen. Amen.

Mmm! **So grateful!**

How You See Others is How You See Yourself

The name of this episode is *Valentine's Day Reboot*. As I'm recording this live, we've got Valentine's Day on Saturday this week. *A Course in Miracles* has a lot to say about Valentine's Day. [laughs] No, it doesn't! No. There's no mention of marriage, and dating and things like that, and romance, in *A Course in Miracles*. But, *A Course in Miracles* is really clear about holy relationship.

I love that topic, as you may well know. Last year, 2014, I did a whole series in *Living A Course in Miracles* classes on holy relationship that was awesome! It was **so good** and **so** inspiring. If holy relationship is a topic you have a lot of interest in, I encourage you to take a look. You can purchase those audios, all 16 classes, for as little as \$67 at LivingACourseinMiracles.com. It was called *Holy Relationship*, and it was the Spring of 2014.

Also, in the archives here at Unity, if you go back to February 2014 and February 2012, pretty much both of those months are focused on relationship and holy relationship. There's a lot of free material there, obviously in the archive. I've done so many shows on relationship, because relationship is foundational to our healing, to our awakening. Yes, it is!

What I'm going to turn to right now is in the beginning of *A Course in Miracles*, Chapter 1 of the *Text*, the first Section is called *Principles of Miracles* which are so inspiring and wonderful. It says here, number 18, *"A miracle is a service. It is the maximal service you can render to another. It is a way of loving your neighbor as yourself. You recognize your own and your neighbor's worth simultaneously."*

This is one of the main themes of *A Course in Miracles*, that **all** of Love is Self-Love, **all** forgiveness is Self-forgiveness, that as you see your brother, you'll see yourself. So, if you choose to see your brother as wrong or bad, that's how you're going to see yourself.

In truth it's **because** you see yourself that way that you see your brother that way. That's the foundational teaching of *A Course in Miracles*. You

might think that you see your brother as bad, wrong, a sinner, because of something they've **done**, but that's the illusion. The truth of the matter is, we see people, and the world, and circumstances that way because of our **view**. It's the lens through which we're looking at the world.

That lens is our belief system. Depending on our belief system, we are going to think thoughts in line with it. Our thoughts are always going to be congruent with our belief system.

This is why in my classes, like my yearlong *Masterful Living* Class--and, actually, right now, I'm teaching a three-part series that you can join in with, or purchase it any time, called *Prayer Power*. It's a three-week class about the power of your thoughts, and the power of your words, and learning how to pray and use these teachings of *A Course in Miracles* in a very prayerful way.

Now, this has **everything** to do with our relationship, because every year in *Masterful Living*, and people who purchase the *Prayer Power* class, they are always telling me that using prayer, they've been able to shift relationships that seemed absolutely stuck in concrete.

What was the concrete? The concrete was the way they were holding it in their mind. Through the mechanism of prayer, which is the most powerful technology I know of, they're able to soften their point of view, the concretized view of the world. I have certainly have done this myself.

“The Medium of Miracles”

Now, in those *Principles of Miracles*, right at the beginning of Chapter 1, number 11 is,

“Prayer is the medium of miracles. It is a means of communication of the created with the Creator.”

It's the means of communication that we have with God. Believe me, it's **not** about us telling God **anything**. God is not a man, a woman or a child. Yes, there's God the Father, God the Mother, Divine Mother, Divine Father. However, those aspects of Divinity, the Creator God, is not a person or a personality that has wants, needs or wishes. Absolutely not! That's a misconception.

What we're doing in prayer is, we're not communicating to God, saying, "Oh--this is what I--" We're not giving a shopping list to God when we go

into prayer. Absolutely not. We're not looking to make God our personal shopper when we go into prayer. What we're looking to do in prayer is to **release** the thought, the belief that we need or want anything, that we're lacking in anything. This is the thing that we're making an offering of. We're **surrendering** the blocks to Love in our prayer, so that we can **receive**, clearly, the communication **of** God, and be in tune with the Mind of God. **That** is the purpose of prayer.

That's why prayer is a “*medium of miracles*”. It says here, in number 11 of the *Principles of Miracles*,

“Through prayer love is received, and through miracles love is expressed.”

As we move into prayer, then we **become** this perfect givers and receivers of Love. We're receiving Love. We're receiving, receiving, receiving. And then, we can express, express, express, because we're **full** to overflowing. **This is** the power of prayer.

It's like, imagine that you might feel like--have you ever seen a vase of flowers where they've been sitting there for a week or so, and the water becomes putrid? Imagine that, on some level, we started as a bouquet of beautiful flowers, but we let ourselves sit in stagnant water and decay, and the water is putrid. Prayer brings in the freshness. It restores us. It revivifies us.

“Prayer is the medium of miracles.”

I have so much to share on this topic. I really, really do!

Prayer Power Class, ACIM App, Retreat

I am so excited to share some more about this *Valentine's Day Reboot*, and I'm going to take us to a break here in a minute and see if I can use the internet better. Before I go to break, I would like to tell you, if you're interested in my *Prayer Power* class, you can sign up for it via the Events page at JenniferHadley.com.

Another thing I'd like to say is that, my *A Course in Miracles* app is finally ready. It's finally **ready!** You can find it in the App store. When you go to the app store at iTunes--right now, it's only for iPhones and for iPads-- look for--the name of the app is called *A Course in Miracles* app with Deluxe Features. It does have Deluxe Features.

We're particularly looking for people with iPhone 6 to just help us test it on the iPhone 6. The app is totally free. Totally free! We're not broadcasting it wildly, or letting people know about it yet, because we're still working out some stuff. If you'd like to be patient and helpful, please check out the app, and then you can let us know any issues that you have with it.

Also, on the Events page at JenniferHadley.com, you can still sign up for my Baja Whale Watch retreat and join me. I know it's going to be absolutely magical. Oh, my gosh! I just saw some video the other day-- actually, yesterday-- there was just taken there where people are just--the whales come right up to the boat, and you can actually pet them. They're so happy to be with you and to see you.

The whales, they are literally the most intelligent beings on the planet. They carry a tremendous energy, and they are toning in the ocean to help raise the vibration-- more Clarity, more Clarity for **all** of us. When we go and commune with the whales, it's absolutely magical! You can still join me.

You can also come to the *Living A Course in Miracles* retreat with Gary Renard, Jon Mundy, Regina Dawn Akers, David Hoffmeister. We're going to be announcing the livestream also, so you can watch the whole thing on livestream-- or most of it. Much of it. The teachings, certainly. I don't know about all the salsa dancing and things we're going to do, playing and having fun, but definitely all the teachings on the livestream. I'll be announcing that pretty shortly how to sign up for that.

Alright! I'm Jennifer Hadley. You're listening to *A Course in Miracles* on Unity Online Radio, where we're living the Love. We're walking the talk. I'll be right back.

Thank you for tuning in for *A Course in Miracles: Living the Love, Walking the Talk*.

Get ready to focus on your intent to be the Love, be the Peace, through practical application as we return to *A Course in Miracles: Living the Love, Walking the Talk*.

A Gift for Contributors

And, we're back! So grateful! So grateful for our technology that joins us together, so that we can be the two or more who are gathered in the name and the nature of Love, transcending time and space. What a blessing!

We're talking about the power of prayer and the *Principles of Miracles*. This is **so valuable** to me. I **love** this teaching.

Let's just review here. First of all, in case you're new to *A Course in Miracles*--because a lot of people who are interested in discovering *A Course in Miracles* listen to this radio show. It's interesting. There's a lot of people who discover *A Course in Miracles* and are inspired by listening to this radio show. Thank you **so much** for all the people who join together.

Particularly, I'd like to say a special shout out "Thank you" to all the people who **support** this radio show. There's a couple of wonderful ways you can support the show. One is, if you subscribe to the podcast or you download the episodes from iTunes, you have an iTunes account, you can write a review. Remember, all episodes of this show are absolutely free for the download at iTunes. This is the 175th episode.

By the way, we just had Gary Renard on the show last week. That was a lot of fun, author of *Disappearance of the Universe*. Gary has been my most frequent guest on the show. In the archive, there's a number of shows with him, with David Hoffmeister, Regina Dawn Akers, Jon Mundy, a lot of great *A Course in Miracles* teachers. Ken Wapnick, Tama Kieves, Nouk Sanchez, Tim Davis—Nick Davis rather. I have a friend named Tim Davis and his brother is Nick Davis. So funny! I always do that.

Writing a review at iTunes, or whatever podcast service that you use to access the radio show, that just supports more people in finding the free stuff. I appreciate you doing that.

The other thing is, you can go to PowerofLoveMinistry.net and make any kind of a contribution there. PowerLoveMinistry.net. It's a great way to make a contribution.

I'm offering a "Thank You" gift to people--well, it's really a Love offering class that I offer. It's my *New Year's Reboot*. Today, our episode is called, *Valentine's Day Reboot*. I did a *New Year's Reboot* class that was **awesome!** It was January 1st, and I was so filled with the Spirit. It was a **really** good class.

You can get that from making any Love offering contribution. But you have to go to JenniferHadley.com on the Events page, click on the *New Year's Reboot*, and then you can make a contribution to PowerofLoveMinistry.net. That funds the radio show, and all my classes

and everything, and you can get that as a Love offering. Those are two ways to support the radio show.

Last year, the *Living A Course in Miracles* classes, and all the things that I offered through the PowerofLoveMinistry.net, 102 countries-- people from 102 countries participated in all those free offerings last year.

I know we're going to have so many more this year with the *A Course in Miracles* app being available. *A Course in Miracles* app with Deluxe Features, go to your iTunes store, and you can get it now for the iPad or the iPhone.

Purification of our Beliefs

Alright. A miracle is a shift in perception. When shift our perception and our way of thinking over to the Holy Spirit, then we start to live a miraculous life, because then our mind is open to miracles.

A miracle is a shift in perception. We are now **perceiving** with the Holy Spirit's way of thinking rather than the ego's. There's **no** order of difficulty in miracles, and we're **entitled** to miracles.

The one thing that prevents us from living this miraculous life is that we're identified with the ego. What it says in these *Principles of Miracles* is that *...purification is necessary first.*"

This is why I talk about we're on a pathway of elimination to reveal illumination. We're Light Beings and we have come to believe that were **not**. So, we're purifying our mind of all impediments to the Light. That's what I was talking about in the last section of today's broadcast, where I was saying that as you see your brother, you'll see yourself. It's because you see **yourself** that way that you projected out into the world and see your brother that way.

When you see your brother, your sister, as a sinner--and, it's so common! Look at how many religious leaders will pound the pulpit and make sermons against sinners and sin, defining for us what sin is-- that sin of the bodies, sin is of this world, often very much related to sexuality and sexual behavior-- and then we find out later that those same people were engaged in all the behaviors that they were railing against.

You see, the Holy Spirit presents for us these archetypal views of our own mindset. Anything that you see in the world that bothers you, it's a

projection of your belief system writ large, so that you can cognize it and change your **mind** about it.

This *Valentine's Day Reboot*, my invitation to you is to become a prayerful person.

"Prayer is the medium of miracles. It is a means of communication of the created with the Creator. Through prayer love is received, and through miracles love is expressed."

When we learn how to pray **correctly**, where we're **not asking** for anything because we recognize the Kingdom is within-- it's already been preinstalled-- we're preapproved to live a miraculous life. Right?

Jesus has the parable of people who have a treasure, but they don't know it. That's **us!** We have this treasure-- The Kingdom is preinstalled. *A Course in Miracles* says,

"You are the Kingdom." "You are the treasure."

Prayer is a means of communication of the created with the Creator. As I was saying before, we're not talking **to** God, giving a laundry list, a shopping list, of what we'd like in this world, and what we don't like, and what we'd like God to fix for us.

Because if that's what we're praying from and about, we've lost our minds! We are just so identified with the ego thinking that our problems will be solved **when** something shifts in the world. Nothing could be further from the truth! **Nothing** could be further from the truth, because everything that we experience in this world is a projection of our mind. All thought produces form at some level.

"Thought, combined with belief, is a power that can literally move mountains." "There are no idle thoughts." These are all quotes from the *Fear and Conflict* section in Chapter 2.

Right before the *Cause and Effect* section in Chapter 2 comes the *Fear and Conflict* section. What Jesus tells us in the *Fear and Conflict* section, is that every single instance where we have fear, it's because our mind is conflicted. It's because we are saying that we **want** the Peace of God, but we are not willing to take the necessary steps to **be** the Peace of God.

A Course in Miracles says, "Ask and it is given because it already has been given. **Nothing** more can be given to us." We can't add one cubit to our

stature by doing anything in the world. However, in our heart, where the Kingdom is, we **can shift** our belief system and align it with the Holy Spirit. We can abandon the ego.

From my experience, it's really having a relationship with ego and taking charge **by** putting the Holy Spirit in charge. Now, remember, we're no **separate** from God, so I AM that I AM. We're not separate from the Holy Spirit. The Holy Spirit **is** our Higher Self.

This is why I say, "Higher Holy Spirit Self", so that I always remember I'm not **separate**. The Holy Spirit is not **outside** of me. The Holy Spirit speaks **through** me, **as** me, **to** me, **in** me, **with** me. I'm interested in learning. I'm interested in remembering. I'm interested in receiving. I'm interested in hearing.

The Most Powerful Technology - Prayer

"Prayer is the medium of miracles. It is a means of communication of the created with the Creator-- "

--where we're **receiving**.

"Through prayer, Love is received--"

We're **receiving** it--

"...and through miracles, Love is expressed."

We're expressing it. We're sharing it.

Prayer is the most powerful technology and tool that I know of.

Now, again as I was saying before in number 18 in the *Principles of Miracles*-- I was just reading from number 11-- Number 18 is,

"A miracle is a service."

Would you like to be of service in this world? Start living a miraculous life!

How do you live a miraculous life? Become a prayerful person.

Miracles--we're entitled to miracles. We're **supposed** to be living a miraculous life. The only reason we **don't** is because we're aligned with the ego. So, by choosing Love-- choosing to love our neighbors as ourselves, to do unto others as we would have done unto us because what we do to

others **will** be done to us-- what we think of others is simply a projection of what we believe about ourselves.

Giving to Get - But You Already Have

Now, people think that they can look at the so-called “sinner” in the world. It seems to be acting in a way that people would say, "Oh, they're depraved. They're depraved in their behavior." It's **still** a projection of our mind, and it would not bother us if we didn't believe it, in some way, to be true about **ourselves**. If we're frightened by things in the world it's because, in our heart, it's **not** a safe space. That's why we're frightened by things in the world, because in our heart, it's a dangerous place for ourselves and others.

How do we shift that? **Purification**. These are all right here in the *Principles of Miracles*, right in the beginning.

Purification. What is purification? It's moving into that place of really being in that communication-receiver with the Creator. Prayer **is** the means for that.

What I have learned-- and I'm Science of Mind trained as a Practitioner and a minister, so for nine years, I **studied** prayer as a technology. That's why I offer Daily Prayer. You can call on the phone, you can listen to prayer. All the details are at JenniferHadley.com, You can get a daily e-mail with a prayer in it at JenniferHadley.com. That's my *Daily Spiritual Espresso*, my daily blog--you **can** become prayerful person.

Of course, you can sign up for my Prayer Power class, the details on the Events page at JenniferHadley.com. However, the main thing is to be very mindful of **any time** that you're not choosing Love, and you start to feel disturbed.

If you would like to have a loving, romantic relationship, **love yourself enough** to be a loving presence in the world. Because, as you do unto others, it **will** be done to you. So, if you feel that people are taking advantage of you, it's only because you're giving to get. Nobody can take advantage of me, unless I **give** something to them that I'm looking to **get** something in return for. Nobody can take advantage of me, because I'm not giving to get! If I'm giving to get, then I'm manipulating. How romantic is that? It's not romantic at all.

Romantic Love is only beautiful and powerful, and healing, and nourishing when it's **pure**. You can't give to get. If you're looking to your romantic partner to somehow fill you up, and make you validated, and feel good about yourself, you're looking to crash and burn, because nobody can do that **for** you.

Your natural state is the **fullness** of God **already**. You already **are** the Kingdom of God. You already **are** the treasure of God. The reason you don't **feel** it has **nothing** to do with romantic relationship or partnership. The reason that you don't feel it is because your **mind** does not **believe** it.

Now, fortunately, in order to change our mind, all we **really** have to do-- honest to God-- is give it over to the Holy Spirit and **allow** our mind to be purified. Prayer is the mechanism that we **receive** the nourishment, we **receive** the refreshment, we **receive** that experience of purification. The communication with the Creator is **not** [that] we're telling God what we want and what we need because we're living in lack! We're living in lack, and we're experiencing "want" and "need" because of our diminished relationship with the Creator. We've forgotten that we **are** One with the Creator. Asking for more stuff from God is **not** going to heal **that**. It's only going to **intensify** the sense of lack!

But, when we move into that place of being a receiver, "*I need do nothing*," I am the humble servant. I'm here to be truly helpful. Allow **me** to shift **my** mind and **be** change I like to see in the world.

I'm dedicating this time to **receive** the Clarity, to **receive** that nourishment, that refreshment, that reboot. Then, I can share it and express it with everyone, because I'm One with them. How **blessed** am I!

I've got so much more to share. Again, if you'd like to support us at the Power of Love Ministry that hosts the show, go to JenniferHadley.com on the Events page. Check out my *New Year's Reboot*. You can get it on a Love offering. It's a great way to support us here.

The Flavors of Relationship

Talking about romance here. Romantic relationship can really--hello! All relationship! It doesn't matter what **flavor** the relationship is, so it's kind of like, if you're going to make ice cream, you have some basic things. Right? You've got some eggs, you've got some cream, you've got some sugar, and then you've got flavorings.

Relationship is the base. Then you've got flavorings. Flavorings would be romance, friendship, family-- you know, all different kinds of relationships-- sisters, brothers, parents, children, siblings. But, whatever the flavor is, you've got the basic relationships.

We can talk about romance, but the **same teachings** apply in a work relationship. For instance, if you're giving to get in your relationships, then you are **definitely** going to be experiencing things like feeling taken advantage of. You're also going to feel disappointment, and you're also going to feel sadness. You're going to feel betrayal, and you're going to feel unappreciated. These are all the lovely prizes and benefits of being in a give-to-get relationship.

If you're giving to get recognition of **any** kind, if you're giving to get **anything**, then you are aligned with the ego. You're not in a holy relationship, and you don't **wish** to be. You **prefer** to align with the ego and be manipulative. That's what giving to get is all about.

Baseline in rebooting **any** relationship is for **you** to stop giving to get. An, depending on the intimacy of the relationship-- like if you're married, if you're a parent-child, if you're a sibling, you might actually go to the person you're in relationship with and give yourself a big reboot opportunity. **Drop all need** to get anything from them, of any kind. You don't need apologies. Don't need **anything** from them. Don't **want** anything from them.

Go to them and apologize. You can say, "I realized, in our relationship, I've been trying to manipulate you. I've been trying to get you to give me certain things, and I've been doing that by trying to give **you these** things. I have come to realize that that is a codependent, unloving, unhelpful relationship."

You might even have the courage to say, "I feel like I'm addicted to codependency, I'm addicted to giving to get, and I'm not interested in that anymore. I'd like your help, Love, and support in shifting my behavior around us, so that any time I share anything with you, it's clean. It's pure Love. There's no attachment. There's no craving. No needing, no wanting **in** it. There's no strings attached. Instead I'm just giving to you from the overflow of God's goodness in my heart."

Imagine if someone **you're** in a relationship with came to you and said that! Would you not be shocked, stunned? Would you not, first of all, perhaps wonder, are they telling the truth, or is this just a new form of manipulation?

Now, if you're **doing** that in order to get them to not leave you, if you're doing that in order to get them to love you or like you, they're going to **feel** that, and it's still manipulative.

That's the thing about rebooting your relationships. If you're judging the person, if you're needing, you're wanting, you're craving anything, if you're acting with an ulterior motivation rather than **just** sharing from the overflow of Love, they're going to **feel** that. It's going to feel icky and sticky, and they will be either repulsed by it-- if they have a strong sense of Love, they're going to be repulsed by it, however, if they're codependent and **they** do not have a strong sense of Self-Love, then they're going to be **attracted** to it, because that's what **they** do-- give to get, and like attracts like.

Why does like attract like? Yes, it's a vibrational match. But, it's also, so that we experience the **projection** of our own thinking and belief system.

Only Love is Real

In Chapter 1, *The Meaning of Miracles*, we've already talked about some of the *Principles of Miracles*."

In Section IV, which is entitled, *The Escape from Darkness*-- gosh, I love *A Course in Miracles*! Paragraph 2 of Section IV, it says,

"Holiness can never be really hidden in darkness, but you can deceive yourself about it."

Your holiness **can't** actually be hidden. It can't be hidden in darkness. But, you can pretend. You can deceive yourself about it, and you can deceive yourself about the holiness of others.

"This deception makes you fearful because you realize in your heart, it is a deception, and you exert enormous efforts to establish its reality"

This is why inviting the Holy Spirit in is so powerful. It says here,

"The miracle sets reality where it belongs. Reality belongs only to spirit--"

Only Love is real.

"...and the miracle acknowledges only truth. It thus dispels illusions about yourself, and puts you in communion with yourself and God."

This is the power of the miracle. Miracles are when we align with the Holy Spirit thought system, and we lay the ego thought system aside. How do we do it? Through our willingness. **That's** the truth of it.

Retreat & ACIM Conference Events

You **don't** have to join us live. It's the beauty of having livestream archive. We've made provisions to this **better** than ever.

The other thing I like to share with you is, there are still some *A Course in Miracles* New York Conference tickets. When you go to Jennifer Hadley Events page, JenniferHadley.com, you'll see "A Present Love", the clock there. That's the New York Conference. Click through there, and you can sign up. There's just a few seats left, so go check it out! We'll be there at the end of April in New York.

Alright! It's time for me to pray. My name is Jennifer Hadley. You've been listening to *A Course in Miracles*.

Closing Prayer

With our hand on heart, we're claiming a *Valentine's Day Reboot*, rebooting with the Holy Spirit, the Higher Self, the Holy Self.

We're allowing ourselves to live a miraculous life. We're **relinquishing** the prison of false beliefs that we have held ourselves and everybody else in. We're surrendering doubt, worry and fear, needing to get anything.

We're willing to recognize. We've already been given, and we're celebrating that. Thank God for being God today! I'm so grateful and thankful to share the benefits with everyone.

We joyfully **allow** our prayer to be realized. We let it be. And so, it is. Amen. Amen. Amen.
