# The End of Doubt

Welcome to *A Course in Miracles: Living the Love, Walking the Talk* with Reverend Jennifer Hadley, a beloved teacher of the course, who has helped thousands learn how to express their beliefs from moment to moment in their everyday lives. Get ready to focus on your intent to be the Love, be the Peace, through practical application.

Here is your host, Reverend Jennifer Hadley.

Jennifer      Bonjour! **So** happy to be with you. So delighted! Oh, yes! I'm so grateful.

## *Opening Prayer*

---

Well, let's take a breath of Love and gratitude. So grateful to speak a word of prayer as we're beginning here. So grateful!

Let's take that breath and place our hand on our heart. Mmm! We're grateful and thankful to open ourselves to the unprecedented. Grateful and thankful to say, "Yes!" to the unlimited.

Grateful and thankful to allow ourselves to recognize and remember the truth that sets us completely free, free from all suffering, free from all limitation, free from **all** pain and suffering.

We are grateful and thankful to allow ourselves to remember the fullness of God's Love is **all** that we are, all that there is. So grateful!

Taking a breath of Love and gratitude, we open ourselves to the insight, the Wisdom, the Clarity of the Higher Holy Spirit Self. So grateful, so thankful, to allow ourselves the Freedom to fully Love, to be gentle, to be kind, to open to the Wisdom of pure truth.

In gratitude, we're allowing the **doubt** to dissolve and resolve permanently, back to the root cause, so we never experience it again.

Truly grateful, we share the benefits with everyone, because we are One with them. In gratitude, we allow it to be. We **let** it be. And so, it is. Amen. Amen. Amen.

Oh, yes! We are blessed. Mm-hmm!

## *All Doubt is Self-Doubt*

---

The topic today Spirit has led me to, “The End of Doubt” which is in Chapter 15 of the *Text*. It’s Section II. The whole section is entitled *The End of Doubt*, so we’re looking at that.

One of the things that *A Course in Miracles* tells us is that **all** doubt is self-doubt. That’s from the *Manual for Teachers*. All doubt is self-doubt, and doubt can be so insidious that we don’t even recognize we’re **experiencing** doubt. We don’t even realize that **that’s** what it is. Doubt gets into what **feels** like the fabric of our life, sometimes, and it’s like a background noise that’s been there so long, so intensely, so pervasively, that we don’t even realize it’s there. We’ve forgotten that it ever existed.

Because doubt, for many of us, has been a part of our up-bringing. It’s been in our family way, and so we don’t even realize that it’s **doubt**. But, we can get it out. That’s what the Holy Spirit is telling us, that we can let it go.

One of the things that I love most about *A Course in Miracles* and working with the Holy Spirit, something that I’ve really come to appreciate and be grateful for, is that we **are** entitled to miracles. We **can** have miraculous healing, and it can happen **so** much easier than we ever imagined. It can happen with ease and with grace. So grateful! Yes! Mmm!

When we work with the Holy Spirit, what we’re able to do -- and this is what Jesus encourages us to do in *A Course in Miracles*, give all the heavy lifting -- these are my words, the “heavy lifting” -- but give all the figuring out how -- “How is it going to happen? How’s it going to unfold?” all the “why’s” and the “how’s,” the wheretofore, all of that, the “when” -- all those details to the Holy Spirit. Stay focused on the decision to accept the Atonement for yourself.

---

*We can have  
miraculous  
healing,  
and it can happen  
so much easier  
than we ever  
imagined.*

---

## A Course in Miracles Weekly Radio Show with Jennifer Hadley

### *The Holy Instant*

---

*The End of Doubt* starts with,

*“The Atonement is in time, but not for time. Being in you, it is eternal.”*

Because we’re eternal.

*“What holds remembrance of God cannot be bound by time. No more are you. For unless God is bound, you cannot be.”*

Doesn't it feel, sometimes, like we're stuck in this world, we're stuck in the intensity of density, trying to move density, trying to **push** density? It feels like that **so often**, and doubt plays a big role in that.

It says here,

*“An instant offered to the Holy Spirit is offered to God on your behalf, and in that instant you will awaken gently in Him. In the blessed instant you will let go all your past learning, and the Holy Spirit will quickly offer you the whole lesson of peace.”*

Alright? Our **willingness** is what brings forth this Holy Instant. It's our **willingness**, and we can learn to practice, and this is what I've learned to do that's brought me so much benefit.

We can learn to simply say to the Holy Spirit, “Whatever is the cause of this suffering that I'm feeling, I'm experiencing, I'm believing,

whatever is the cause of this doubt, this worry, this fear, this resentment, this regret, this hurt, this blame, this shame, whatever is the **cause**, Holy Spirit knows the cause.” Our Higher Holy Spirit Self knows the **reason**.

As we talked about, maybe a month ago, Jesus says that He will remove **all** misperceptions from our mind if we ask Him to, and it's **only** our misperceptions that cause our suffering.

The release of the suffering and the misperceptions is really all -- it can **all** be lifted off of us **if** we **ask** and we are truly willing to let them go, and the same is true with doubt.

If you **accept** what I'm sharing, that doubt is so pervasive -- we doubt our ability to choose Love. We doubt our ability to be right-minded. We doubt our ability to correctly perceive in this world. We doubt our ability to

---

*“What holds remembrance of God cannot be bound by time. No more are you. For unless God is bound, you cannot be.”*

---

## **A Course in Miracles Weekly Radio Show** with Jennifer Hadley

recognize inspiration, intuition, Divine Guidance. We doubt our worthiness. Doubt, doubt, doubt plays **such** a strong role in our pain and suffering. Let's give **all** doubt to the Holy Spirit for healing.

What **is** doubt? The very nature of doubt is that we're placing our belief in something false, in something other than God.

It says here, it's Chapter 15, Section II entitled *The End of Doubt*, Paragraph 1, it says,

*"In the blessed instant --"*

It's that true instant of loving, of God connection, it says,

*"In the blessed instant you will let go all your past learning --"*

Right? What we've learned in time and space.

*"... and the Holy Spirit will quickly offer you the whole lesson of peace. What can take time, when all the obstacles to learning it have been removed?"*

---

*The very nature of doubt is that we're placing our belief in something false, in something other than God.*

---

### *Awareness of Truth In One Moment*

---

This what we can have. I sometimes refer to it as "Saul to Paul" moment. You've heard me talk about it before. Saul, the Christian hater, was on the road to Damascus. He had an experience, an encounter, with the Spirit of Jesus. He had an awakening that was instantaneous, and he went from being the persecutor of Christians to the number one proselytizer about Christianity, and he changed his name to Paul. He went from Saul, the Christian hater to -- he went from Saul to Paul, Paul, the great Apostle of Jesus, writing all those epistles, all the letters to the Romans, etc. He traveled all over, spreading the teachings of Jesus. Went from a persecutor of Christians to the great proselytizer of Christianity because he had that **one moment**.

That's what Jesus is telling us here.

*"What can take time, when all the obstacles to learning it have been removed?"*

The "it" here is Peace. The whole lesson of Peace. It **won't** take time.

## A Course in Miracles Weekly Radio Show with Jennifer Hadley

One of my favorite quotes from Ernest Holmes, the founder of the Science of Mind teachings, is he says in *The Science of Mind* Textbook, “The only time that it takes to have a healing is the time that it takes to have a realization.” That's what Jesus is saying **here**. It doesn't **take** time, because when all the obstacles to Peace have been removed from your mind, **there's** the Peace, because the Peace is **already** there. It's **already there**.

Remember it starts, this Section,

*“The Atonement is in time --”*

The Atonement is when we awaken to the realization that there is no separation, that we're One with God. The Atonement, that realization, happens **in** time. It happens instantaneously. It's not a gradual thing. It says,

*“Being in you--”*

This truth --

*“... it is eternal. What holds remembrance of God cannot be bound by time.”*

Our true identity, **as** Peace, **as** Joy, **as** Freedom, **as** Wisdom, **as** Prosperity, **as all** of the spiritual qualities, is **in** us.

Jesus refers to the Great Rays being in us, and so the Great Rays, as far as I know, equate with the spiritual qualities of Peace, Love, Joy, Freedom. They're **in** us. They're are **our** true identity, and the only reason that we **suffer** is because we have obstacles in our mind. Jesus is telling us here, “What can take time, when all the obstacles have been removed?”

Let us pray, and be willing, to release **all** the obstacles in our mind, and doubt is an obstacle in the mind.

---

### *End Doubt Through Willingness*

---

Fortunately, there's **no** big or small obstacle in the mind. It's just **an obstacle** to the Truth. All we have to do is **accept** the Atonement. Remember that? All we have to do is **accept** the Atonement for ourselves. We **don't** have to earn it. We don't have to make it happen. We don't even have to **believe** it.

## A Course in Miracles Weekly Radio Show with Jennifer Hadley

That's one of the key things that Jesus says about working the Lessons in the *Workbook*. You know, you don't have to **believe** them! It's **absolutely not necessary** for us to awaken. We don't have to **believe** the Truth. All we have to do is be **willing**! Be willing, and to really (I'm just closing the window here) to be **willing** to give the Holy Spirit, to give Jesus, the full sway.

*“Do not be concerned with time, and fear not the instant of holiness that will remove all fear. For the instant of peace is eternal because it is without fear. It will come, being the lesson God gives you, through the Teacher He has appointed to translate time into eternity. Blessed is God's Teacher, Whose joy it is to teach God's holy Son his holiness. His joy is not contained in time. His teaching is for you because His joy is yours. Through Him you stand before God's altar, where He gently translates hell into Heaven. For it is only in Heaven that God would have you be.”*

Ah! Yes! The Holy Spirit is our Teacher, and the Holy Spirit has been appointed to translate time into eternity, and it is the Holy Spirit's Joy to teach us our holiness.

Now, here's the thing. You've heard me say this, many times. We **don't** have to **learn**. We can **remember**. That's that instantaneous awakening that we can have, like Saul to Paul. We can **choose it**. “I'd **like** to experience a gentle, a loving, joyful, instantaneous awakening. I'm ready to let go of everything that blocks my awakening.”

Check this out. Next paragraph in this, *The End of Doubt* section. Again, Chapter 15, Section II, Paragraph 3.

*“How long can it take to be where God would have you? For you are where you have forever been and will forever be. All that you have, you have forever. The blessed instant reaches out to encompass time, as God extends Himself to encompass you. You who have spent days, hours and even years in chaining your brothers to your ego in an attempt to support it and uphold its weakness, do not perceive the Source of strength. In this holy instant you will unchain all your brothers, and refuse to support either their weakness or your own.”*

---

*We don't have to  
learn.*

*We can remember.*

*That's that  
instantaneous  
awakening that  
we can have.*

---

## A Course in Miracles Weekly Radio Show with Jennifer Hadley

Mmm! Yes, we have. We have spent days, hours, and even years, in chaining our brothers to our ego in an attempt to support it and uphold its weakness. Yeah, we've **done** that. And, we can say, "I've done it! I've learned from it, and I'm **not** interested in doing it **anymore!** No more! No more! No more!" Mm-hmm!

The "*blessed instant*", that moment of awakening, encompasses **all** time. It takes us out of time into the eternal reality of our perfection, and our willingness is the key. It says,

*"You do not realize how much you have misused your brothers by seeing them as sources of ego support. As a result, they witness to the ego in your perception, and seem to provide reasons for not letting it go."*

### Validating Our Doubt Through Others

---

Okay. Let's just look at this for a moment.

*"You do not realize how much you misused your brothers by seeing them as sources of ego support."*

One way for us to speed our awakening is to become **aware** of who, when, why, where, we're enticing people to support our ego. Let's just **be** with that a moment together. Let's just be so courageous and willing that we're willing to look at **how** we have coerced our brothers and sisters to support our ego. Just looking at it, together.

One thing that I can witness to, in my own life experience, is that I have, on numerous occasions, too numerous to count, I've been upset about something and I've blamed other people for my upset. Even though I don't know what anything is for, even though I'm **never** upset for the reason I think, I have blamed people for my upset. I've blamed people for my worry, my doubt, my fear, my pain, my suffering. **All** that I've claimed for myself, all the different forms of upset, I've blamed other people along the path.

---

*Even though I  
don't know what  
anything is for,  
even though I'm  
never upset for the  
reason I think,  
I have blamed  
people for my  
upset.*

---

## **A Course in Miracles Weekly Radio Show** with Jennifer Hadley

**And**, I have coerced loved ones, friends, family, strangers, acquaintances, to join with me in my upset, and to validate my upset, to validate my point of view, my painful perspective, that “This should be different,” that “I am not loved,” that “I am disrespected,” that “I am lacking.” All kinds of opinions and judgments I have put forth, and I have coerced others into supporting **my** beliefs.

I have asked them to support my ego's **insistence** on negativity, my ego's **insistence** on false perspective, my ego's **insistence** on lack and limitation. I have coerced people into **validating** my ego and become my ego support. Yes. That, right there, it **is** a form of doubt.

Would I **ever** do that if I doubted my Divinity? Would I **ever** do that if I doubted that I can have instantaneous healing? Would I go on, and on, and on, complaining about my problem, energizing my problem, if I **truly knew** the miraculous Truth of my Being, and that I was perfectly Loved?

I'm inviting you to just sit with that.

*“You do not realize how much you have misused your brothers by seeing them as sources of ego support.”*

Let's just forgive ourselves that, here and now.

Let's let that painful past go, here and now.

Let's remember and recognize the Truth, **now**. Let's be willing to see with new eyes, **now**.

It says,

*“As a result, our brothers and sister witness to the ego in our perception, and seem to provide reasons for not letting it go.”*

Right? When people agree, “Oh, God! Yeah. No, you're right! They're wrong!” when we encourage people to join with us in validating the ego's false perception, we are, by enrolling them, we are seeing them as ego support and they are **witnessing** for us. We're asking them to **collude** with us in a defense against the Truth.

---

*I have coerced  
people into  
validating my ego  
and become my  
ego support.  
Yes. That,  
right there,  
it is a form of doubt*

---

## ***A Course in Miracles Weekly Radio Show*** **with Jennifer Hadley**

As a result, our brothers and sisters witness to the ego in our own mind and seem to provide reasons for not changing our position, because they **validate** it.

Let's make a pact. Let's you and I make a pact. We're going to let that behavior go. We're **not** going to coerce people to validate ego anymore, because it's not helping **them** and it's not helping us. It's only an argument for more suffering.

It says that our brothers and sisters --

*... are far stronger and much more compelling witnesses for the Holy Spirit. And they support His strength. It is, therefore, your choice whether they support the ego or the Holy Spirit in you."*

Check that out! It's **our** choice! It's **your** choice, it's **my** choice, whether or not humanity, our brothers and sisters, our loved ones, support the ego or the Holy Spirit in us. **We're** the ones who decide, and we decide by our choice.

What's our preference? Complaining? Is complaining our preference? Is attacking our preference? Is judging our preference? Or, is our preference compassion? Is our preference forgiveness?

Because whatever we choose, our brothers and sisters are going to support it, because they're One with us.

---

*Whatever we  
choose,  
our brothers and  
sisters are going to  
support it,  
because they're  
One with us.*

---

### ***Recognizing the Holy Spirit in Us All***

---

It says here,

*"It is, therefore, your choice whether they support the ego or the Holy Spirit in you. And you will recognize which you have chosen by their reactions."*

What does that mean? We'll recognize whether or not we have chosen to invite the people in our life to give witness and testimony to the ego or to the Spirit. We'll know, we'll recognize it, by other people's reactions. That's how we determine **what** we're choosing, by their reactions.

## ***A Course in Miracles* Weekly Radio Show** with Jennifer Hadley

It says,

*“A Son of God who has been released through the Holy Spirit in a brother is always recognized.”*

When we go to our brothers and sisters extending Love, opening to **receive** Love, in a place of giving and receiving compassion -- you know how I say all the time, “We’re the perfect givers and receivers of Love.” -- when we do **that, then** we are in that place of opening ourselves to be the perfect givers and receivers of Love, and our brothers and sisters will recognize that. It's **always** recognized, He’s saying to us right here.

*“A Son of God who has been released through the Holy Spirit in a brother is always recognized. He cannot be denied. If you remain uncertain, it is only because you have not given complete release. And because of this, you have not given a single instant completely to the Holy Spirit.”*

*“For when you have, you will be sure you have. You will be sure because the witness to Him will speak so clearly of Him that you will hear and understand. You will doubt until you hear one witness whom you have wholly released through the Holy Spirit. And then you will doubt no more.”*

---

*We’re the perfect  
givers and  
receivers of Love.*

---

**Wow! Wow!**

Well, it's time for me to take a break, so we'll share about this when I come back from my break. I'm Jennifer Hadley. You're listening to *A Course in Miracles* on Unity Online Radio. We're living the Love, we're walking the talk, and I'll be right back!

Thank you for tuning in for *A Course in Miracles: Living the Love, Walking the Talk*.

Get ready to focus on your intent to be the Love, be the Peace, through practical application as we return to *A Course in Miracles: Living the Love, Walking the Talk*.

[\*Archives, Transcripts, Retreats & Conferences\*](#)

---

Welcome back!

I, by the way, am at The Art of Living Retreat Center in beautiful Blue Ridge Mountains, above Boone, North Carolina, and we just had *A Course in Miracles: Weekend of Freedom*. It's was a wonderful opportunity. I got to be

## ***A Course in Miracles* Weekly Radio Show** with Jennifer Hadley

roommates with Regina Dawn Akers. We're planning some adventures, so I'll probably be telling you about that later in the month.

I just love that woman! She's been a guest on my show a few times. She's done a bunch of *Living A Course in Miracles* classes with me. We went to Baja, Mexico together. We just really have a good time together, and I love her teachings, I love her personality. I'm so grateful for Regina Dawn Akers! If you aren't familiar with her, go back into the archives.

By the way, it's easy to hunt in the archive. We have at [LivingACourseinMiracles.com/radio](http://LivingACourseinMiracles.com/radio), we have the archive there. That's where you can find the transcripts of these episodes. We're really working hard to get them all transcribed, and if we have one -- if there's an episode you really like that's not yet transcribed, please, just let us know. Write to [Admin@JenniferHadley.com](mailto:Admin@JenniferHadley.com) and we'll send it to you -- I mean, we'll put it in the queue of transcripts to do.

I'm here. We had a retreat with Jon Mundy, David Fishman, Maureen Muldoon and some other folks. It was a great time. It's lovely to get together.

Which actually reminds me, that if you like conferences where you can go hear lots of *A Course in Miracles* teachers -- because some people really like conferences. Some people like the retreats. I'm doing a [\*Forgive and Be Free\*](#) retreat this weekend. On my retreats, we go really deep and do the deep, personal healing work.

A conference is more like a party and it's fun. People give talks, but there's not the same kind of deep healing processing that I prefer to do when we can do a retreat.

The next *A Course in Miracles* Conference is in February, and it's in San Francisco. You can learn more about it at [ACIM.news](http://ACIM.news).

We have, at the Power of Love Ministry, we have discount tickets. We do! We do! We would like to have you relieve us of them. The current price for the conference if you buy from the Community Miracle Center is \$599. We have tickets for \$499. So, just letting you know that that's the case. So good!

### *Living in the Holy Instant*

---

We're back to *The End of Doubt*, where we're talking about how our brothers and sisters help us to recognize whether or not we're trying to enlist them in affirming our ego, re-identifying with the ego, and staying identified with the ego. It's their **reaction** that helps us.

So, are they reacting with sympathy? That would be a real indication that we're feeling and acting like a victim, and we're enrolling people in supporting our ego with sympathy. Right?

When we are truly identified with the Spirit, we don't **need** sympathy. Extending Love is **all** we're about, giving and receiving Love.

It says here Paragraph 5 -- we're in Chapter 15, Section II, *The End of Doubt*,  
*"The holy instant has not yet happened to you. Yet it will, and you will recognize it with perfect certainty."*

Isn't that reassuring?

*"No gift of God is recognized in any other way. You can practice the mechanics of the holy instant, and will learn much from doing so. Yet its shining and glittering brilliance, which will literally blind you to this world by its own vision, you cannot supply. And here it is, all in this instant, complete, accomplished and given wholly.*

*Start now to practice your little part in separating out the holy instant. You will receive very specific instructions as you go along. To learn to separate out this single second, and to experience it as timeless, is to begin to experience yourself as not separate. Fear not that you will not be given help in this. God's Teacher and His lesson will support your strength. It is only your weakness that will depart from you in this practice, for it is the practice of the power of God in you. Use it but for one instant, and you will never deny it again. Who can deny the Presence of what the universe bows to, in appreciation and gladness? Before the recognition of the universe that witnesses to It, your doubts must disappear."*

Mm-hmm! We're allowing ourselves to experience the Holy Instant. We're cultivating the Holy Instant.

---

*When we are truly identified with the Spirit, we don't need sympathy.*

---

## ***A Course in Miracles* Weekly Radio Show** with Jennifer Hadley

Earlier in the *Text*, it says,

*“In the holy instant in which you see yourself as bright with freedom, you will remember God.”*

The Holy Instant -- because the Section before the one, *The End of Doubt*, is entitled --well, the whole Chapter 15 is entitled *The Holy Instant*, and the Section before tells us that there are two uses of time.

We've talked about this, about learning what time is for, and what the two uses are. We can use time for waking up. We can use time for continuing our ego identification. We can **do as we wish**.

The Holy Instant is that moment of awakening. It's that moment of being clear, in the moment, that we're holy, we are born of Love. This is our true identity, and that there's nothing to fear because we're part of God. That's why, in the Holy Instant, we see ourselves bright with Freedom and we remember God.

We **can choose** to live in the Holy Instant.

In the section right -- actually, the sentence right before *The End of Doubt* begins, it says,

*“Offer the miracle of the holy instant through the Holy Spirit and leave His giving it to you to Him.”*

Let's **ask** together for the Holy Instant. Let's ask together for it. Let's ask together for an awareness that we **can** practice the Holy Instant, that there is a practice that we can have to remember our holiness in the Holy instant. And, because all minds are joined, **when** we practice the Holy Instant, we're supporting everyone, everywhere.

---

*In the Holy Instant,  
we see ourselves  
bright with  
Freedom and we  
remember God.  
We can choose to  
live in the Holy  
Instant.*

---

### *Finding God on Our Altar*

---

In this chapter of the *Text* about the Holy Instant, Section IV, Paragraph 4, it says,

*“Would you learn how perfect and immaculate is the holy altar on which your Father has placed Himself?”*

## ***A Course in Miracles* Weekly Radio Show** with Jennifer Hadley

Now, I **love** this, and let me tell you why. First of all, in the *Course*,  
“*Would you learn? --*”

In other words, are you **willing** to learn?

“*Would you learn how perfect and immaculate is the holy altar on which your Father has placed Himself?*”

**Where** is the altar? *A Course in Miracles* tells us that the altar is in our **heart**. So, **here**, Jesus is saying, “Are you willing to recognize, to **re-cognize**, to remember, how perfect and immaculate is the Holy Altar in which your Father has placed Himself?”

God has placed Himself on the altar of our heart, and that place is perfect and immaculate. There is no **trash** on the Altar of God. We can put a false idol there, in our mind, but only in the **illusion**. In Truth, the altar will always remain perfect and immaculate.

Then it says,

“*This will you recognize in the holy instant--*”

In the Holy Instant, we’ll remember how perfect and holy we are, how immaculate we are.

One of my favorite -- I love this word “immaculate.” I love, love, love the Immaculate Heart. Right? We think of Mother Mary as having that Immaculate Heart. That Immaculate Heart is the heart that holds **only** Love, only the Purity of God. We can cultivate an Immaculate Heart.

“Holy Spirit, show me that my heart is already Immaculate, it's already perfect. That my heart is the altar, where God has been placed forever. **Only** God is on the altar of my heart. Only God is on the altar of my heart. In this moment now, I give up all false idols. Only God is on the altar of my heart. This is all that I'm interested in -- knowing God, being God, revealing God, sharing God, Living God, extending God. Here's the Peace of God, where God left it in my heart, on this holy altar, Immaculate and perfect. Here's the Peace of God in my heart. Where else could we find the Peace of God, but **in our heart?**”

Just feeling that.

---

*In the Holy Instant,  
we'll remember  
how perfect and  
holy we are,  
how immaculate  
we are.*

---

## **A Course in Miracles Weekly Radio Show** with Jennifer Hadley

### *False Idols as Obstacles to Peace*

---

Jesus tells us,

*“You can claim the holy instant anytime and anywhere you want it. In your practice, try to give over every plan you've accepted for finding magnitude in littleness. It is not there. Use the holy instant only to recognize that you alone cannot know where it is and can only deceive yourself.”*

*“... try to give over every plan you have accepted for finding magnitude in littleness.”*

So, let's search our heart in our mind for the false idols, of finding magnitude in littleness. In other words, if we **think** that there's something in our life -- it could be some “thing”, like a job, or a car, or a house, or a bank account, a bonus -- something in the world that would magnify our worth, increase our stature, some false idol. “Oh, if so-and-so cared about me, if so-and-so loved me, if so-and-so appreciated me, wanted me, needed me, liked me, if only they were my friend, if only they valued me, if only they understood me, if only I had access to that world, if only I had an invitation to that party -- **then** I could be happy. **Then**, I would be worthy.”

---

*Every thought that we have that something in the world ... would somehow make us worthy or happy magnifies our littleness*

---

This is how the ego operates.

*“... try to give over every plan you have accepted for finding magnitude in littleness.”*

Every thought that we have that something in the world would validate us, would improve us, would somehow make us worthy or happy magnifies our littleness, the identification with “small”. Right?

I teach classes in let's [Stop Playing Small](#), trying to find magnitude in littleness. We are **already** as big, and beautiful, and perfect, and immaculate as we could **ever** be, and the only thing that blocks our awareness of it is the things that we place on the altar that are false. That's the only thing. Those are the **only obstacles**. Yes! Those are the only obstacles **to our Peace, to our happiness**. Mmm! Just feel that!

## **A Course in Miracles Weekly Radio Show** with Jennifer Hadley

Remember what He says to us at *The End of Doubt*,

*“What can take time, when all the obstacles to learning it have been removed?”*

We're giving away the false idols to the Holy Spirit for healing. Those are the obstacles to Peace, the false idols. The things that we value from this world that are **not** actually valuable. Those are the blocks to Love, those are the blocks to Peace, those are the blocks to holiness.

### *Releasing the World of Littleness*

---

In the Section III of this chapter on *The Holy Instant*, Section III is entitled *Littleness versus Magnitude*.

*“Be not content with littleness.”*

*“Everything in this world is little, because it is a world made out of littleness, in this strange belief that littleness can content you. When you strive for anything in this world, in the belief that it will bring you peace, you are belittling yourself and blinding yourself to glory.”*

Let's just take stock here. Today, what was your **plan**? This week, what was your **plan**? This month, this year, what was your **plan** to get something, to have something, in order to have more Peace, more Love, more Joy? What was your **plan**?

Give the plan to the Holy Spirit. Instead of thinking **you** know the way to Peace, recognize that in the altar of your heart, **there is** the Holiness, the Purity, the Immaculate nature of

your Being. **All** the obstacles to Peace, to Prosperity, to Love, to Joy, to Freedom, to Wisdom, to Creativity, to Clarity are **in our mind**, thinking that we can get these things from the world. Those are the false idols, the belief that we can get fulfillment **from** the world, **in** the world, and those beliefs are the false idols on the altar that **are** the obstacles to the very things we're seeking.

If I think that my Joy comes, even from doing this radio show, no! It doesn't! Joy is unconditional. It's a Quality of God. It's my very nature. If I think that, “Oh, without the radio show, I will experience less Joy,” that thought that I **need** the radio show to have more Joy, to have more Peace, more

Freedom, anything like that -- that I need even an **outlet** to speak about Spirit, to share my Love of God, even that I **need** that -- that thought is a block to Love, it's a block to Peace. It's a block! It's a block! It's a block! Mm-hmm. Yeah.

Let's give **all** the blocks to the Holy Spirit, known and unknown, felt and not felt, recognized and unrecognized.

### *Gratitude for Contributions & Support*

---

I'm going to speak that word of prayer now, and before I do, I would like to say a big, big, big thanks to all the contributors who contribute to the Power of Love Ministry, and support the offerings of the transcripts, and the radio show, and the free classes, like the [\*Living A Course in Miracles\*](#) free classes, and all the many other things that we've been offering. Yes! Thank you for sharing. Yes!

I wish I could convey to all of you how much Love and gratitude comes for the offering of this radio show, and the offering of the free classes, because I feel like we do it together. It's your [\*contributions\*](#), **your** Love, **your** willingness, that makes it possible. We do it together, and so that many thousands of people around the world are able to join together, beyond time and space, to remember the Truth, and to give up these false idols. For this, I am **so** grateful. **So** grateful! Thank you **so** much!

### *Closing Prayer*

---

Let's take that breath of Love and gratitude, here and now, and Partner UP with the Holy Spirit to lay everything on the altar that's false, known or unknown. So grateful and thankful to claim our healing, and to recognize our willingness.

So grateful and so thankful that the Love of God is **all** that there is, **all** that we are, now and forever more, that the Immaculate Heart is within us. We're grateful to see it now. We're grateful and willing to experience it now. We're cultivating the Holy Instant now. We give the heavy lifting to the Holy Spirit.

We share the benefits with everyone, because we are One with them. In deep abiding gratitude, we let it be. And so, it is. Amen. Amen. Amen.

God bless you! Mwah! Have a **great** rest of your week!
