Prayer for Choosing Spirit Success

Hello Beautiful,

This is Jennifer Hadley, and our prayer for today is for choosing Spirit success.

We could choose ego success or Spirit success. We're choosing Spirit success — Love success, Light success, God success.

Oh, so grateful to place my hand upon my heart and choose Spirit success.

So grateful to know that Spirit success is when we choose Love, patience and kindness and generosity, respect, honor.

We are grateful and thankful that there are so many ways that we can choose Spirit success, and we are discovering them.

We're discovering how good it feels to choose Spirit success.

So grateful to surrender any attachments we have to thinking of ego success, to feeling like a failure because of our ego identification. We're giving all that up.

We're interested in Spirit success. We're interested in succeeding as spiritual beings, bringing more peace, more Love, and more joy to our life, and then extending that peace, Love, and joy to our brothers and sisters.

We are grateful and thankful to recognize that we have a mandate from Heaven to be truly helpful, and that is our Spirit success.

We can be successful every single day if we choose it.

We can be successful whether there's anybody around to see it, to know it, to feel it. If it's just

us, we can still be spiritually successful.

So that's what we're choosing, and we're grateful to share the benefits with everyone everywhere because we are eternally one with them.

We allow it to be. We let it be.

And so it is.

Amen. Amen. Amen.

Yes, what a sweet prayer.

Thank you for praying with me today. Thank you for blessing me with your presence in my life.

Oh my goodness.

Oh right, what is coming up?

Well right now, the number one thing is Masterful Living — registration is open.

And I have three events in January that are bonuses if you're registered for Masterful Living. So of course you can do any and all of these events without registering for Masterful Living, but they are bonuses if you are registered.

So there's the four-hour workshop on Saturday, January 3, which is Fresh Start: New Year, New Vision.

And then three Mondays beginning January 5, and that is A Life Led by Love — living a life of Love, letting Love lead us throughout our life. This is so important to shift into being led by Love. That's the three-part Mondays starting January 5, and these are all classes with me.

And then Saturday, January 17, the Deep Dive Workshop for Saturday is accountability with self-love.

So that's what's going on.
