## Prayer for Family Harmony

Hello Beautiful,

This is Jennifer Hadley, and our prayer for today is for family harmony.

Yes, as we are on the eve of Christmas Eve, I am praying for every family in the world to have harmony. Yes, it's anchoring into that.

So we place our hand upon our heart, take a deep breath of gratitude, rise above the battlefield.

We are choosing Love. We're choosing harmony. We're choosing peace, recognizing that Love, harmony, peace — these are all spiritual qualities that are aspects of our true identity.

So we're grateful to know that every person on the planet has the same spiritual qualities endowed in their very being.

So we are calling forth expressions and acknowledgment of peace and harmony and Love in every family on this globe.

We are grateful and thankful to open ourselves to a new understanding of harmony and family harmony, so grateful to allow anything that disturbs the peace of mind of any member of our universal family. We're allowing it to be dissolved and resolved permanently, back to the root cause.

We're no longer interested in being upset.

We are grateful to call for harmony for every being on the planet and all families.

We are grateful to call for a healing wave that goes all around the planet and touches everyone, calling for harmony — harmony from the very center of our soul.

We are grateful to allow it to ripple out and to touch everyone everywhere.

We're calling for family harmony in our own family. We are willing to anchor this harmony into our own relationship, so grateful to let go of everything that disturbs our peace, and to know that we have a choice, and that choice that we are making is for harmony.

Sharing the benefits with everyone everywhere, because we are eternally one with them.

We let it be.

And so it is.

Amen. Amen. Amen.

Yes, family harmony. We are calling it forth. We accepting it. Yes.

Thank you for praying with me today. Feels so helpful, so valuable, so important that we anchor this family harmony.

All right, well what's going on?

We've got Christmas coming right around the corner here, and New Year's, of course, and many things are coming up.

Masterful Living registration is open. We have bonuses in January.

We have the Fresh Start: New Year, New Vision — our workshop on Saturday, January 3.

We have the three-part series on A Life Led by Love.

And then we have the Deep Dive Workshop on accountability — holding ourselves accountable with self-love.

I'm excited for all these, and you can get each and every one of them at [powerofloveministry.net](http://powerofloveministry.net), and they are all bonuses if you register for Masterful Living now, so have at it. Go for it.

I love you. Have an amazing and beautiful family harmony day.

It's our way.
