Prayer for Feeling Empowered

Hello Beautiful,

This is Jennifer Hadley, and our prayer for today is for feeling empowered.

Yes, it's so vital. Oh my goodness.

Let's place our hand upon our heart, take that breath of Love and gratitude, and rise up.

We are truly grateful, truly thankful to allow ourselves to live a life empowered by Love. Love is leading us. Love is guiding.

Yes, we are grateful and thankful to steep ourselves in our true identity of Love.

We are interested in feeling profoundly empowered — empowered to love more fully, empowered to be more creative, empowered to speak up, empowered to be with the people, the places, the things that we'd like to embrace.

We are interested in feeling empowered to love more fully and to remember to laugh.

We are grateful and thankful that life is organizing itself so that all the self-doubt, the self-worries, self-complaints — all of it fades away, and we step into a feeling of profound empowerment that comes from knowing who we are, knowing whose we are.

Knowing that we are born of an infinite Love. God is loving itself by means of us.

We are grateful to recognize that this is the very sweet truth upon which our whole existence is founded.

We are grateful to share the benefits with everyone everywhere because we are eternally one with them.

We allow it to be.

And so it is.

Amen. Amen.

Yes, so good. Ha ha. I feel more empowered.

Thank you for praying with me today. Oh yes, so good.

OK, what is going on?

It's a wonderful week. There's a lot going on.

Masterful Living registration is open. People are registering every day.

And this Saturday — well first of all, there are three bonuses in January for Masterful Living. Anyone can take any of them and pay for them, but they are bonuses if you're registered for Masterful Living.

So the first one is Fresh Start: New Year, New Vision — our workshop Saturday, January 3.

Next, there's a Forgiveness Workshop on Sunday, January 4.

And then on January 5, it starts a three-part class about A Life Led by Love. Yes — leading with Love, being led by Love. Three-part class to anchor us into this new nine-year cycle with so much Love and wholeness and freedom and joy.

And then on Saturday the 17th is another workshop. It's one of the Deep Dive workshops, and the topic in January is accountability with self-love.

Again, these are all bonuses if you register for Masterful Living, which I hope you are, and I get to see you soon.

Have a powerful, blessed day — absolutely blessed — feeling empowered.
