Prayer for Giving from the Overflow

Hello beautiful, this is Jennifer Hadley, and our prayer for today is for giving from the overflow.

Yes, there is an overflow that we can tap into, and we do it by opening our loving heart, our loving mind. So let's do that right now. We place our hand upon our heart and declare that we are worthy of all the love that we are, all the love that our Creator has for us.

We are grateful and thankful to recognize we are created in the Imogen likeness of perfect love, so that is our true identity. And we are giving from that overflow — the overflow of God's infinite intelligence, the awake and alive within us. All of the spiritual qualities are endowed in our heart, in our mind, in our life, and very being.

And so we are activating all of these resources right now, and we are grateful — grateful for all the gifts that have been given to us. Grateful that there is this overflow of love, intelligence, creativity, beauty, magnificence, and so much more that is constantly flowing.

We're getting the blocks out. We are allowing the flow to really take us over. So grateful to give from the overflow of God's infinite givingness, knowing that the more we give, the more we have. Truly, to give all to all.

So we are giving love to all. We are giving compassion to all. We're giving patience and kindness and generosity of heart to all. We're opening ourselves to all the ways that we can extend God's infinite love as our very life.

So sharing from the overflow, we truly are sharing the benefits with everyone everywhere, because we are eternally one with them, united in the love. We allow it to be, and so it is.

Amen. Amen. Amen.

Yes, too grateful — ha ha ha ha ha ha.

Thank you for praying with me today.

Thank you for affirming the overflow with me today.

I love and appreciate you very much, and what is going on is today's free forgiveness workshop. Come and join me. This is the last forgiveness workshop of the year and an opportunity for us to truly give away that which no longer serves our life of love.

And then the next workshop, the next thing, is Saturday, January 3, and I'm calling it *Fresh Start: New Year, New Vision*, a four-hour workshop to anchor into this new year.

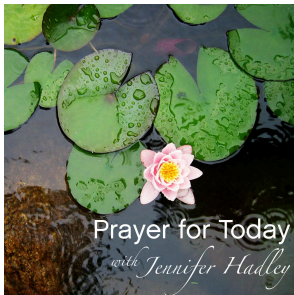

And then the next three Mondays after that, starting January 5, a three-part series to truly anchor a life led by love. So we're starting a new nine-year cycle January 1, and let's have it be led by love. So we're gonna anchor into that.

And then my deep dive workshop in January is on holding ourselves accountable in a loving way. So all three of these events are designed to go together and to kick us off into a new year that's truly exceptional.

And they are all bonuses if you're enrolled in Master for Living. So registration is open — get your bonuses.

And I love you.

Have an amazing, powerful, beautiful, joyful day, truly giving from the overflow.
