

Prayer for Today

with Jennifer Hadley

Prayer for Staying Aligned With Love

Hello beautiful this is Jennifer Hadley and our prayer for today is for staying aligned with love, yes let us stay aligned with love, which is our true identity we placed our hand upon our heart, and we are grateful so grateful grateful to open ourselves to a life of love led by love itself we are grateful to allow ourselves to truly open to a vision of a life of love and to recognize that right where we are the fullness of love is and always has been so we are grateful to bring ourselves back into alignment with our loving nature, our loving mind, our loving heart it is our nature to be an excellent giver and receiver of love to share love to extend love love is what God is. It is the intelligence that runs the universe and it is our nature to be in alignment with that intelligence with that perfection we are grateful and thankful that we can surrender any attachments to any misalignment that we've grown accustomed to all the ways that we've fallen asleep at the wheel and steered ourselves away from that alignment with love we're giving them up. We're turning them over surrendering them here and now we're no longer is interested in walking away from the love we're turning into the love aligning with the love in our heart in our mind so grateful to align with the divine, we share the benefits of our loving alignment with everyone everywhere because we are eternally one with them united forever in gratitude, we surrender all since of separation and we open to the unity we let it be and so it is amen amen.
