## Prayer for Surrender

Hello Beautiful,

This is Jennifer Hadley, and our prayer for today is for surrender.

So grateful and thankful to open ourselves to the power and the presence of Love.

So grateful to place our hand upon our heart and take a breath — a breath of Love, a breath of gratitude.

We're moving into our loving heart, and we are grateful that God is our life and being, and that is unchangeable.

We are grateful that we are part of God, and we are surrendering into the awareness of God's presence as our very life.

We're surrendering to the divine intelligence within us, that our mind is the Mind of God.

We're surrendering any attachments we have to thinking we're stupid or not good enough, or we are too far down in a hole to get out.

All hopelessness, all despair dissolves and resolves permanently back to whatever that root cause might be.

We are grateful to give over to the Higher Holy Spirit Self all worries, all concerns and doubts and fears. The sense of unworthiness we hand over to that Higher Holy Spirit Self, cultivating an awareness of the truth.

And the truth is: it is our nature to be perfect. It is our nature to be abundant. It is our nature to experience magnificence and the wholeness of God's infinite perfection.

Grateful to give to our Higher Holy Spirit Self any sense of being lost or not enough, the anger, the resentment, the hurt — whatever it is that's blocking the flow of Love.

We surrender it here and now.

We share the benefits with everyone everywhere because we are eternally one.

So grateful to choose to actively surrender the attachments of complaints and anything that stands in the way of our happiness.

We are grateful to allow it to be.

We share the benefits with everyone. We let it be.

And so it is.

Yes, amen. Amen. Amen.

Oh yes, so good. Thank you. Surrender rocks. I love it.

Thank you for praying with me today.

I am grateful, and I'm grateful today is Sunday with Spirit. I will be there. I hope to see you there. We will have a good time. I am ready to rock.

And Masterful Living registration is open. Register now for my year-long program, and there are a number of bonuses coming right up, including the workshop on Saturday, January 3, which is called Fresh Start: New Year, New Vision.

And then we're doing a three-part series on building a life of Love.

And then there's a workshop on January 17th that is all about accountability with self-love, so we're doing the deep, deep work — setting the tone and the trajectory of the next nine years of our lives.

So this is a powerful moment we're in, and we are making the most of it.
