Prayer for Working Smart

Hello Beautiful,

This is Jennifer Hadley, and our prayer for today is for working smart.

Let's live smart, work smart, activate the smart.

We place our hand upon our heart, take a breath of Love and gratitude.

We're lifting ourselves high, to a high vibration, so that we can more clearly see and feel and know and hear what the truth is, and recognize the truth that is smart.

We are grateful. We are thankful. So grateful, so thankful that we can learn to work smarter, not harder.

We're grateful that we can learn to give up pushing density, trying to make things happen. Instead, we learn to allow. We learn to work in the invisible, in the field of our infinite intelligence.

So grateful that our mind is the Mind of God, and that we can hold in our mind: the very highest best is unfolding for us.

And we're accepting that. We're receiving that. We're energizing that. And we're experiencing the highest and best as a result.

We are so, so willing to experience the highest and best in all areas of our life.

So grateful to choose to place our attention on what we would like rather than what we don't like.

We are working smarter. We are living smarter.

We're so grateful to work in the invisible instead of pushing density.

We're so grateful that all of life supports us. Everything is for us. Nothing is against us, because we are not against anything.

That's working smart.

So grateful to truly share the benefits of our ever-increasing wisdom with everyone everywhere because we are eternally one with them.

We allow it to be.

And so it is.

Amen. Amen. Amen.

Oh yes. Oh my goodness, so, so good.

Happy New Year's Eve. Wow, we made it — made it to the end of this year. Quite a journey for some of us.

Oh my goodness, lots of shifting and changing, lots of healing and expansion, and so, so much more to come. I feel it coming, and I'm excited — truly, truly excited for it.

Thank you for being my prayer partner today.

And what's coming up is, all right: I've got Masterful Living — registration is open.

If you register before Saturday, you'll get all three of the January bonuses.

So they are: Saturday's workshop — it's a four-hour workshop and it's called Fresh Start: New Year, New Vision.

And then Monday starting — then three Mondays in a row — A Life Led by Love. Yes, living a life led by Love. Three Mondays.

And then the 8/17 Deep Dive Workshop, and the topic is accountability with self-love.

So all of these events are to support you in living your very best life, setting the tone for the next

nine years because we're at the beginning — think about that — the very beginning of the next nine years.

So we're laying a foundation. So good.

And yeah, so all of those are bonuses if you sign up by Saturday's workshop, which is at 2 PM Eastern.

And have a beautiful day, blessed, calling in the new year.

I love you.
