

Prayer for Today

with Jennifer Hadley

Prayer for Accepting My Innocence

Hello Beautiful,

This is Jennifer Hadley, and our prayer for today is for accepting my innocence - accepting our innocence.

Yes.

So let's place our hand upon our heart, take that breath of Love and gratitude, grateful that we are willing to accept that regardless of anything that's ever occurred in this lifetime or any other, our innocence is intact.

And so is everyone else's.

We're willing to recognize our own innocence and to be willing to see the innocence in our brothers and sisters.

We're willing to be truly helpful by recognizing the innocence of everyone everywhere - eternal innocence.

Regardless of anything that has occurred, anything we've done or not done, the innocence is still intact.

So we're grateful to let go of attack thoughts. They're born of a belief that we're sinners, that we're bad.

We are grateful and thankful to move into that place in consciousness, like our Mother/Father God, where we see only the innocence, only the perfection.

Recognizing that this human adventure is not who we are. It is not what we are.

Prayer for Today

with Jennifer Hadley

We are pure Spirit. We are eternal. We are infinite, and we are innocence - innocence itself.

So grateful to be willing to recognize that basic truth.

So grateful to open our hearts and minds to our own innocence, willing to let go of all self-attack as well as any need to attack someone else.

So grateful to open our hearts in this way with a deep humility, recognizing the unity of all life - all one, all the Christ.

We share the benefits with everyone everywhere because we are eternally one, united in the field of Love that we are.

In gratitude, we let it be.

And so it is.

Amen. Amen. Amen.

Oh my goodness, yes. Interesting times, challenging times, and I'm glad we can pray together.

So thank you for being my prayer partner. Yes.

All right, what is going on? What's going on?

Yes, this weekend coming up I have two Forgiveness Workshops - Friday and Sunday.

And then Saturday, the workshop - the Deep Dive Workshop - is accountability with self-love.

We are kicking off this year with a real deepening in our spiritual practices and opening in our consciousness.

Masterful Living registration is open. Join us now and you get the accountability with self-love workshop as a bonus.

A Life Led by Love, which people are really enjoying - and we've got two sessions done, one more to go, and you can get the replay and get up to speed.

Prayer for Today

with Jennifer Hadley

So many good things are unfolding for us in consciousness. Let's accept them. Let's focus on that.

Seek not to change the world, but to change your mind about the world.

We're changing the mind about ourselves.

Yes.

I love you.

Have a powerful and beautiful day.
