Prayer for Choosing Higher

Hello Beautiful,

This is Jennifer Hadley, and our prayer for today's for choosing higher.

We're interested in choosing higher choices, higher vibrational choices.

So we place our hand upon our heart, take that breath of Love and gratitude, lifting ourselves up above the battlefield with gratitude, with Love.

Remembering that we are born to Love. Love is our true identity. Love is our true nature. Love is what we are.

And so we are remembering that, and we are remembering to look for more loving choices.

We are grateful that there's always a choice that's more loving that we can look for and find.

We are grateful that when we make the more loving choices, wonderful things happen.

We're in tune with the universe. The universe is in tune with us because Love is the nature of everything, everywhere, all the time.

We are grateful and thankful to align with the divine by making loving choices.

So we're choosing higher, choosing to remember that we are inspired beings, and we are choosing to recognize the inspiration - it's always available, always flowing in the divine downloads that are available to us.

So making those higher choices, we're accessing those divine downloads.

We're allowing ourselves to truly recognize the higher choices.

We're grateful to remember to look for the higher choices.

We're grateful that our life is the life of God, and it's natural for us to find those higher choices that are so deeply healing and nourishing to our being.

We share the benefits of our choosing higher with everyone everywhere because we are eternally one with them.

And we let it be.

And so it is.

Amen. Amen. Amen.

Oh, thank you so much for praying with me today. Love it. Love it.

OK, what is going on?

Masterful Living starts Monday. Monday, oh my goodness.

So it's not too late to register, and Monday is the last day to register.

So if you've been thinking about it, if you're still not sure, I encourage you to book an exploratory call with one of the Quantum Counselors, and they will answer any questions you have. It's a free call.

That's what I have for you.
