

Prayer for Today

with Jennifer Hadley

Prayer for Deep Trust

Hello Beautiful,

This is Jennifer Hadley, and our prayer for today is for joyfully living the Love.

Yes - the Love that we are, that we naturally, miraculously are.

We're grateful to place our hand upon our heart, taking that breath of Love and gratitude.

We lift ourselves high.

We are grateful to joyfully live a life of Love. This is what we are choosing.

We are grateful to let go of the habits of living in regret and despair, in guilt and resentment. We're not interested in living that way anymore, so we are choosing a higher path.

We are choosing a new path. We are choosing to remember who and whose we are.

We are grateful to open ourselves to new insight and clarity, new inspiration, dynamic downloads of cosmic goodness in our awareness.

So we are unlocking the truth inside our consciousness and allowing ourselves to choose freedom.

We are grateful to joyfully open ourselves to the power and the presence of Love, and a life of true Love, real Love.

We are letting go of the habits of looking for what's wrong, looking for what we don't like, feeling unsafe and worried.

We are moving out of that space, and we're moving into freedom.

We are willing to live the life that we're destined to live. It's there in our script, and we're accessing it now.

We're opening ourselves to the higher realms.

We are grateful and thankful to share the benefits of our healing, of our life of Love with everyone everywhere because we are eternally one with them.

So grateful that we can bless the whole world with our holiness.

In gratitude we allow it to be.

And so it is.

Amen. Amen. Amen.

Yes, thank you for praying with me today. Thank you for being my prayer partner. So grateful to pray with you.

And what's going on is there's a lot going on.

And tomorrow, the last session of A Life Led by Love.

Masterful Living registration is open for just about another week, and then it's closed. So we start Monday the 26th, and that's the last day for registration.

If you are ready to have a life that is flowing in spiritual inspiration, consider my year-long Masterful Living program. We start January 26.

I hope to be with you this year and fly high together.

Have a beautiful, blessed, powerful day.

I love you.
