## **Prayer for Forgiving Our Illusions**

Hello Beautiful,

This is Jennifer Hadley, and our prayer for today is for forgiving our illusions, forgiving our delusions.

Yes, forgiving ourselves for our illusions and delusions, the stories that we cling to - we're letting them go right now.

Yes.

We place our hand upon our heart, take that breath of Love and gratitude, lifting us high above the battlefield.

So grateful and thankful that we can, and we do, choose to remember the truth.

The power of Love within us is healing. We are grateful to allow that healing.

We are forgiving ourselves for illusions and delusions of sickness, illusions and delusions of not enough, illusions and delusions of victimhood, lack and limitation, pain and suffering.

We are grateful to relinquish it all to the healing of that Higher Holy Spirit Self.

So grateful to allow divine guidance to flow, letting go of the blocks to Love.

Forgiving our illusions and delusions is letting go of the blocks to Love.

We're opening up and expanding into loving ourselves, to knowing our worth, knowing that we are part of God and our life is in God itself.

Our mind is the Mind of God, now and forever.

We open ourselves to experience the fullness and the beauty, the truth about our life, about God, about our self, about our identity.

We are grateful and thankful to forgive ourselves for believing the stories, believing in lack and limitation.

We're grateful that we can let all of it go.

We don't have to punish ourselves. We don't have to hold ourselves back.

We're flying high, flying free, sharing the benefits with everyone everywhere because we are eternally one with them.

And we let it be.

And so it is.

Amen. Amen. Amen.

What a blessing. So, so good. So, so good.

Thank you, thank you for praying with me and being my prayer partner today.

Yes, thank you for the self-forgiveness. We do it together.

And speaking of that, today I have a Forgiveness Workshop - 1 PM Eastern. 1 PM Eastern.

And come one, come all. It's totally free. Invite your friends. Do it together. Let's get 'er done - getting 'er done.

This is the year we're getting 'er done, letting all of it go and opening ourselves to more peace, more Love, more joy.

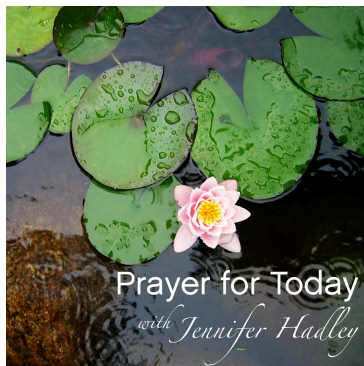

Tomorrow: Sundays with Spirit. That's what's happening.

And Deep Dive Workshop in February is on Valentine's Day, February 14th, and that is actually in two weeks from today, and the topic is Healing with Self-Love - healing at all levels with self-love.

Yes, Love is really the only true healer, so we're cultivating that, and I'm grateful.

So come and join me, and all the details are at [powerofloveministry.net](http://powerofloveministry.net).

I love you.
