

Prayer for Today

with Jennifer Hadley

Prayer for Letting the Love In

Hello Beautiful,

This is Jennifer Hadley, and our prayer for today's for letting the Love in fully - letting the Love flow into our heart, into our life, into our conversations and activities, into the choices that we make.

Fully letting the Love in.

We place our hand upon our heart, and we allow ourselves to experience and know the flow of Love.

Grateful to anchor ourselves in the flow of Love, so grateful to let the Love flow into our mind and into every aspect of our life.

Every part of our awareness being washed clean with the refreshing power of Love within us.

So grateful to open our mind to an awareness of Love's presence, and to claim Love as ours. Let Love claim us as its own.

So grateful to consciously affirm that we are born of an infinite Love, and that our life is meant to be a life of loving choices, loving expressions.

We are choosing to anchor ourselves in this flow of Love and let it wash over, let it wash through us - renewing us, restoring us, refreshing us.

We are grateful that there is no lack of Love. There is a continuous flow of Love, and we're placing ourselves right in the middle of it.

Letting the Love in. Letting the Love flow.

We share the benefits with all beings, everyone everywhere, because we are eternally one with

them.

We let it be.

And so it is.

Amen. Amen. Amen.

So good.

Thank you for praying with me. Thank you for being my prayer partner today. I appreciate you.

And what's coming up?

Well, I've decided to do something. I about - I'd like to do things I'm excited about, so why not?
Why not?

I am doing three Forgiveness Workshops this weekend: Friday, Saturday, Sunday.

People are always saying, "Oh, you do it on Saturday - can't do that," so I'm gonna - so here:
Friday, Saturday, Sunday.

And you can come to all three. You can come to one or two, as you wish. Please do tell your friends, and let's just put the pedal to the metal on the forgiveness.

So all the workshops are free, and you are invited. I hope you will come.

Also, Masterful Living registration is open, and everyone in Masterful Living is doing A Life Led by Love and also the accountability with self-love, so those are the bonuses.

It's not too late to join us, so please do.

It's a year of extraordinary shifts and changes, and getting the support we need to make those shifts and changes permanent - that's what Masterful Living is for, among other things.

I hope to see you soon.

I love you.
