Prayer for Living From the Power of Love

Hello Beautiful,

This is Jennifer Hadley, and our prayer for today is for living from the power of Love - living from the power of Love within us.

The power of Love within us is so strong and so beautiful.

We are grateful to place our hands upon our heart and open ourselves to infinite intelligence, pure Light, pure Love, awakening alive within us.

We are grateful and thankful to join together on this holy day, remembering the truth of our identity.

We are waking up. We're choosing to wake up from the matrix, from the illusion, from the delusion, and live a life of Love, a life of vision.

We're starting over. We're beginning again.

Today is a new day, and we are choosing that fresh start, that real beginning over again in Love, in Light, in joy, in freedom, in harmony, in wholeness.

It is happening now.

We are grateful and thankful to allow ourselves to truly light up the world with more peace, more Love, more joy.

Our life is a life of healing and transformation, and we share the benefits of it with everyone everywhere because we are eternally one with them.

Grateful to wake up and remember the truth of our being is perfection. It's wholeness. It's dynamic goodness.

No part of our life is not blessed. We are blessed from start to finish.

We are rising up, living from the power of Love which rules our life so beautifully, so perfectly, so harmoniously.

We consciously share the benefits of our loving life with everyone everywhere because we are eternally one with them.

In gratitude we allow it to be. We let it be.

And so it is.

Amen. Amen. Amen.

Oh man, ha ha, yes.

Very grateful for this new year and the fresh opportunities we have to reboot into more Love.

Thank you for being my prayer partner today. Thank you for joining with me in this dynamic goodness that is ours now and forever.

Yay.

OK, what's going on?

Well part of why I'm so joyful is today at long last is my Fresh Start: New Year, New Vision workshop. It's at 2 PM Eastern. It's four hours on Zoom, and we are going to just throw it - yeah, we are going to do it up, and I'm excited for that.

Then on Sunday - oops, sorry - Sunday: free Forgiveness Workshop plus Sundays with Spirit, so that's tomorrow. Free Forgiveness Workshop - this one is earlier. It's at 11 AM Eastern, doing it earlier so that I can be at Sundays with Spirit at 3 PM.

So then on Monday is A Life Led by Love - led by Love. So everything that we take from the

Fresh Start, we're going to man - I said in the Led by Love three classes starting on Monday, three Mondays in a row.

And then later in the month, accountability with self-love. That's the Deep Dive Workshop topic this month.

And of course, Masterful Living registration is open.

All of these workshops are completely free - they are bonuses if you're registered for Masterful Living this year.

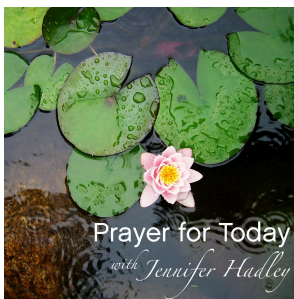

There has never been - I'm telling you - a more powerful, potent year to join Masterful Living.

I am beyond excited. I'm just - joy is the word of the year for me. Joy, joy, joy, joy - living from joy.

And accountability is going to support us in getting there, so I'm so excited for what we're going to accomplish in our hearts and minds this year, and I know it's gonna ripple out to the whole world in the most beautiful ways.

I love you.

Have a spectacular day living from the power of Love within you.
