Prayer for Remembering the Truth

Hello Beautiful,

This is Jennifer Hadley, and our prayer for today is for remembering the truth.

Oh my goodness, this is a year for us to value the truth, to anchor in the truth, to say yes to the truth.

So that's what we're doing right here, right now.

Taking a breath of Love and gratitude, we open our heart to infinite intelligence telling us the truth, reminding us of the truth.

It's written in our heart. It's written in our very being.

So grateful for the truth. It does indeed set us free from all of our illusions and delusions, our false beliefs, our stories, and all the causes of our pain and suffering.

We are grateful to allow ourselves to truly recognize the value of the truth, remembering the value of the truth, to open our heart and mind to the peace, the Love, the joy, and all that we desire.

So grateful to anchor ourselves in the truth, and the truth is: we are loved. We are the beloved of the Beloved.

We are grateful to open our mind and let the truth blow through our mind, refreshing us, renewing us, restoring us.

We are choosing that upliftment that the truth brings.

We are grateful to discard the stories that we have made up about ourselves and about life,

about God and about Love.

We are remembering that Love is what we are. Love is the truth of our being. Love is great intelligence, and Love is all there is.

So we share the benefits of our remembering the truth with everyone everywhere because we are eternally one with them.

We allow it to be.

And so it is.

Amen. Amen. Amen.

So good. Very good. Yes, yes, yes. Ha ha.

Thank you for praying with me today. Thank you for remembering the truth with me today.

All right, what's going on today?

Today is day one - the first class for my A Life Led by Love. Yes, this is our trajectory this year. We're kicking it off: three Mondays, three classes, A Life Led by Love.

And then of course, Masterful Living is open for registration, and A Life Led by Love is a bonus for anyone registered in Masterful Living.

And also a bonus for Masterful Living is the Deep Dive Workshop this month. Anyone can register for it, but it's yours as part of Masterful Living if you register before the workshop. And that Deep Dive this month is accountability with self-love. Excited for that as well.

I feel so led, guided, and directed this year. Oh my gosh, it's good stuff.

The more Forgiveness Workshops coming your way definitely - next Saturday, this coming Saturday and Sunday both days I'm gonna do Forgiveness Workshops, doing my best to accommodate everybody's time zones and schedules.

So I hope I get to see you sometime soon in a Forgiveness Workshop.
