## Prayer for Stepping Up

Hello Beautiful,

This is Jennifer Hadley, and our prayer for today is for stepping up.

Happy new. Yes, we're stepping up to the highest Light within us. We're stepping up to the higher vibration, the highest vibration that we can hold. We're rising up.

We place our hand upon our heart, and we are grateful and thankful that we can lift and shift our vibration.

We're invoking that Higher Holy Spirit Self. We're invoking the angels and all that is holy to walk with us and talk with us and lift us high above the battlefield.

We're stepping up. We're raising up, rising up, lifting up.

So grateful to raise our sight, setting our sights on our innocence, our perfection, our wholeness, the beauty and the magnificence of our being.

We are grateful and thankful to allow ourselves to truly relax into the higher vibration that we are meant to hold, and to share with everyone everywhere because we're one with them.

So grateful to step up in our relationships and be more compassionate, more loving, more kind, more generous, more patient, more invested, more interested, more easy.

We are grateful and thankful to step up in our community and to be of more service.

We are grateful to step up in our family, and to recognize the wholeness and beauty and perfection of our loved ones.

We're grateful to step up in our friendships and to be honest in loving and gentle ways, to be

supportive as we've never been before.

We are grateful and thankful to step up at work and to be responsible — responsible for our thoughts, our opinions, and our perceptions, our view.

So grateful for all these opportunities to step up that improve the quality of every minute of the rest of our lives.

We're stepping up in so many ways, and we are declaring ourselves willing to continue to rise and share the benefits with all.

We let it be.

And so it is.

Amen and amen.

It's so good. Ha ha.

Thank you for being my prayer partner today and for kicking off the new year with me.

Thank you for being my prayer partner. I appreciate you.

I'm excited for our year ahead. I truly am. What a blessing it is.

So what is going on is Masterful Living — registration is open, and of course this is my best program.

And we have three bonuses. If you register now, you'll get all three of them.

It's the Fresh Start: New Year, New Vision workshop on Saturday — this coming Saturday, January 3.

Then Monday, January 5, starts a three-part class called A Life Led by Love. So that's what we're doing. We're designing a life led by Love. We're allowing ourselves to be led by Love.

And then on Saturday the 17th, it's my Deep Dive Workshop on accountability with self-love.

All of these you can register for without Masterful Living, but all of them are bonuses if you're in Masterful Living, so that's what's going on.

Oh, Forgiveness Workshop this Sunday, January 4. We have lots of Forgiveness Workshops this month.

I'm so excited.

Yes, a whole new world — that's what we're generating.

I love you. Have a beautiful day, truly stepping up.
