Prayer for Quickening our Awakening

Hello Beautiful,

This is Jennifer Hadley and our prayer for today is for quickening our awakening. Yes, we are interested in waking up. We are choosing to wake up from the dream of separation, the illusion and delusion has no power over us the one power the one presence is our creator, so we are grateful to place our hand upon our heart and to open ourselves to that great river of love, grateful to open ourselves to insight and clarity leading to our awakening, we're quickening our awakening. We're taking these breaths of love and gratitude, lifting us high above the battlefield we are grateful to raise our vibration grateful to come together for the purpose of recognizing our true identity in God, so grateful that it is our nature to be loving, be kind, be generous, and every activity of love it quickens our awakening we are grateful and thankful to surrender attachments to grievances grudges and complaints and to move our attention from what we don't like to what we're grateful for we're grateful for a life that is lived in God always in God so grateful to allow ourselves to truly recognize a divine opportunity to live in the love intelligence each and every day, we are sharing the benefits with everyone everywhere because we are eternally united with them in gratitude we allowed to unfold with ease and with grace we let it be and so it is amen amen. Amen.

Yes, who quickened our awakening, thank you for praying with me today. I appreciate it but I love to pray with you and what is going on today is the last session for a life led by love.
