Prayer for Healing the Mind

Hello Beautiful,

This is Jennifer Hadley, and our prayer for today is for healing the mind.

Yes, healing the mind of all misperceptions, false beliefs.

Oh, we are grateful to let them go.

So we place our hand upon our heart, and we are grateful and thankful for the power of Love within us.

We open ourselves to a profound healing of the mind, letting go of all the ways in which we are projecting our fear, worry, doubt, shame, blame, regret, resentment onto the world.

We're grateful to surrender it all.

We're grateful to open ourselves to a profound healing.

We are grateful to allow ourselves to truly let go of the blocks to Love and have a healing at the level of the mind that wipes clean all of our misperceptions of lack and limitation, separation - all of that kind of thinking falling away.

The negative habits of complaining and reinforcing, restating over and over again what we don't want, what we are afraid of, what we're worried about - all the negative habits of the mind.

We surrender them here and now.

We are willing to let them go and be retrained, renewed, restored, and our life is made new.

We're grateful to open ourselves to new insight and clarity and an experience of truth that is profoundly awakening.

Going for a healing at the level of the mind that truly lifts us high.

We share the benefits with everyone everywhere because we are eternally one with them.

In gratitude, we allow it to be.

And so it is.

Amen. Amen. Amen.

Yes, indeed. Ha ha ha ha.

It's wonderful, it's wonderful to be your prayer partner.

Thank you for praying with me today.

All right, so what's going on?

Sundays with Spirit is today - that's our celebration of Spirit with word and spoken word. I'll be giving a talk, and we will have inspired music in our celebration.

Come on, come all. Of course it's free.

And then tomorrow, Monday, I am doing a free Forgiveness Workshop at 1 PM Eastern. So that is open for everyone.

You need to register for these events so we can send you the Zoom link.

That's what's going on.

Oh, I almost forgot - there's so much going on in the world, as I wrote in the blog today. So much going on, so much intensity. People are really frightened and worried.

And so I am reopening Masterful Living for about a week and inviting you - if you were thinking about it and we closed registration and you missed it, I'm reopening for just about a week.

And you can go to poweroflovestministry.net, of course, for any and all of our events.

And also with any of our programs, you can always book an exploratory call with one of the Quantum Counselors, and they can just answer all your questions because they've taken the programs.

So there you go.

Have a magnificent and beautiful day healing the mind.

I love you.
