## Prayer for Seeing With Eyes of Love

Hello Beautiful,

This is Jennifer Hadley, and our prayer for today - our husky prayer for today - is for seeing with eyes of Love.

Yes, we are willing to see as our Creator sees, to see as God sees, to see as that Higher Holy Spirit Self sees.

To see the perfection, the wholeness, the beauty, the magnificence in each and every person - including the one we see reflected back to us in the mirror.

We are interested in seeing with eyes of Love, seeing what's real and what's true.

We're interested in having compassion.

We're interested in offering praise and appreciation instead of attack and condemnation.

We are grateful to allow ourselves to shift our perspective and to see with eyes of Love.

To recognize that there's more going on than our opinions and judgments would allow us to see.

We're interested in recognizing the truth in all situations, remembering the truth, knowing the truth, celebrating the truth, activating the truth in our awareness.

And sharing the benefits with all of our brothers and sisters.

We are truly open and available to see as God sees, to see with our God Mind, our Christ Mind, and to recognize the beauty that is before us, the brilliance that is within our brothers and sisters, the perfect Light of Love that is within everyone everywhere.

We're willing to see it and to coax it out so that others can see it too.

We're so grateful for our willingness to see with eyes of Love.

We share the benefits of our willingness with everyone everywhere because we are eternally one with them.

We allow this healing to fully be made manifest.

We let it be.

And so it is.

Amen. Amen. Amen.

Yes, yes, yes. Oh my goodness.

Thank you for praying with me today, being my prayer partner.

And what's coming up is my Deep Dive Workshop in March, which is about Letting Go of a Person.

Sometimes we get so attached to a person in our life, it's very challenging to let them go, so that's what this workshop is about.

It's by request, and it's all kinds of letting go of a person, so you'll know if that resonates with you.

Also, I do have a Forgiveness Workshop coming up, but I just realized I think I've been giving out the wrong date, so I will get that corrected.

And I hope to see you soon.

Sundays with Spirit tomorrow - I will be there.

And I love you.
