## Prayer for Awareness of Oneness

Hello Beautiful,

This is Jennifer Hadley, and our prayer for today is for awareness of oneness.

Yes.

Let's place our hand upon our heart.

We are grateful and thankful for an awareness of oneness, opening our mind to the truth, which is that we are all one.

We are part of God. God's infinite Love unites us.

We are grateful and thankful that the unity of all life is a good thing. The unity of all life is so helpful.

It's liberating - liberating from all suffering, all discord.

We are grateful to relinquish any attachments we have to valuing separation, valuing lack, limitation, valuing condemnation and otherness, and anything else that could disturb our peace.

We're cultivating an awareness of oneness that is so pervasive, so complete, so powerful, so completely reorganizing that we are made new, that we are renewed in the Spirit, that we are awakened in the Spirit.

We are opened and freed in the Spirit.

So grateful, so thankful to allow ourselves to truly know the Love of God, the peace of God, the joy of God now and forever.

We are opening ourselves to an awareness of the oneness in every aspect of our life, in our day.

We are taking the oneness into every conversation, every reactivity, every relationship, every experience, every situation and circumstance.

We are having a healing all day, moment by moment - continuous healing.

This is what we are accepting, allowing, receiving, knowing.

Setting ourselves free from lack and limitation, we are choosing to remember there is no separation.

We share the benefits with everyone everywhere because we are eternally one with them.

In gratitude, we allow it to be. We let it be.

And so it is.

Amen. Amen.

So good.

Yes, thank you for praying with me. Thank you for being my prayer partner today.

Yes.

All right, what is going on?

Masterful Living - tomorrow, Monday, is the final day for registration until next year.

So if you'd like to join us this year, now is the time to make that decision.

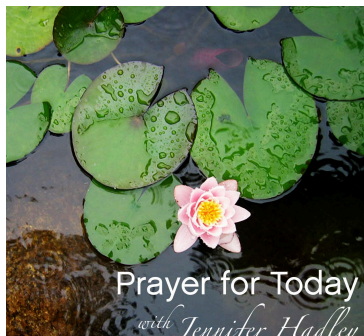

And if you need help making that decision, you can book an exploratory call with one of the Spiritual Teachers, one of the counselors, the Quantum Counselors. They will answer all your questions for free. They've taken the programs, they've lived the programs, they know all about them.

So come and join us this year.

Of course, if it's not for you, you can always withdraw - no penalty.

I love you.

Have an amazing and beautiful, powerful day awakening to oneness.
