## Prayer for Being A Happy Learner

Hello Beautiful,

This is Jennifer Hadley, and our prayer for today is for being a happy learner.

Let's be a happy learner and a happy helper.

We're grateful to place our hand upon our heart and declare our willingness to learn and grow happily, without pain and suffering, without unnecessary pain and suffering.

We're grateful to open ourselves to infinite intelligence leading, yes, and guiding us to a path of peace and harmony.

So we place our hand upon our heart, and we declare wholeheartedly that we are willing to be happy learners.

We are willing to discover the path of happiness and joy within our own consciousness.

We are grateful to surrender the attachment of perspective, the point of view, the projections that generate unhappiness, unworthiness, lack, attack, limitation, separation, anxiety - all of it.

We're surrendering all of it to the Holy Spirit, and we are willing to experience true happiness, consistent happiness, and peace of mind.

So grateful to surrender the need to attack anyone for any reason.

So grateful to surrender all sense of separation, all guilty blame, all shame.

We're giving it all away to the Holy Spirit for healing, and we welcome the healing here and now.

# Prayer for Today

*with Jennifer Hadley*

We're so grateful that we're giving ourselves over to the fullness of God's infinite Love right now.

We share the benefits with everyone everywhere because we are eternally one.

And in the oneness of all life, we let it be.

Yes, so grateful for the awareness of all life.

In gratitude, we know it's done.

And so it is.

Amen. Amen. Amen.

Thank you for praying with me.

Thank you for being my prayer partner. I appreciate you. I value you, for sure.

And what is going on is this Saturday my Deep Dive Workshop is on the topic of Healing through Self-Love.

And then on Monday, I'm doing another Forgiveness Workshop.

So those are the opportunities that I am sharing with you, and I appreciate you.

Have a wonderful day, a glorious day, truly, truly being a happy learner.
