Prayer for Being Willing to See

Hello Beautiful,

This is Jennifer Hadley, and our prayer for today is for being willing to see - with divine vision - to have divine insight, clarity.

True insight and clarity is what that Higher Holy Spirit Self connection brings, so we're cultivating that.

We are willing to see as God sees, and to let go of our attachments to our painful perspective, our mistaken view.

We place our hand upon our heart, and we take a breath - Love and gratitude, Love and gratitude.

This is where we place our attention, and we cultivate that willingness to truly see.

I am determined to see. I am willing to see.

So grateful and thankful that there is truth to see.

There is absolute wisdom and knowledge to know, to see, to feel.

We're grateful to cultivate the capacity, the willingness to truly see and know and feel what the truth is, what our wholeness is, what the beauty of our very life and being is.

We're interested in the truth and revelations of truth.

We are interested in being able to see with absolute clarity the beauty of this world and everyone in it.

We are grateful and thankful to cultivate that capacity for divine sight, divine vision, true and real insight and clarity.

We're grateful that we get to naturally share the benefits of our clarity, of our vision, of our sight with everyone everywhere because we are eternally one with them.

In gratitude, we allow it to be.

And so it is.

Amen. Amen.

Thank you for praying with me today. Thank you for being my prayer partner.

Yes, and what else? Let's see.

Today - Happy Valentine's Day. Yes, Happy Valentine's Day. Ha ha ha ha ha ha. Oh my goodness.

Yes, I forgot what I was gonna say, which is: yes, I have my Healing with Self-Love workshop today.

I invite you to come and join me. It's one of my Deep Dive Workshops. It's my February Deep Dive Workshop - Healing with Self-Love. All kinds of healing with self-love.

And then tomorrow, Sunday: Sundays with Spirit at 3 PM Eastern.

And then on Monday: free Forgiveness Workshop at 1 PM Eastern.

So good things are happening, and we are allowing them.

I love you.

Have an amazing and beautiful day, allowing, being willing for that true insight and clarity - to see what God sees.
