Prayer for Claiming a Healing

Hello Beautiful,

This is Jennifer Hadley, and our prayer for today is for claiming a healing.

Yes, today and every day we are claiming a healing - our healing, many healings, total healing, reclaiming that healing.

We are entitled to miracles, and miracles are healing.

So we're grateful to place our hand upon our heart, take that breath of Love and gratitude, and remember Love is what we are.

We're grateful to remember Love is what we are. We're already there. We're already miraculous.

So we're consciously partnering up with that Higher Holy Spirit Self and claiming a healing - claiming a miraculous life of Love, a healed mind.

We are allowing ourselves to truly stand in the Light of Love and claim that healing.

Healing at all levels - mentally, physically, emotionally, spiritually, ethically - at all levels.

In our circumstances, in our finances, in our creativity, in our relationships.

Every part and particle of our life and being, we are claiming miraculous healing.

So grateful and thankful that we are entitled to miraculous healing and transformation.

So grateful that it is our nature to live a miraculous life. It is our nature to have tremendous healing and to live in our right mind, to live in an awakened state.

We're so grateful and thankful to consciously share the benefits with everyone everywhere because we are eternally one with them.

We allow the healing to be. We claim it. We share it.

We know it's done.

And so it is.

Amen. Amen. Amen.

Yes.

Thank you, thank you for praying with me today and being my prayer partner. It's precious. Yes it is.

And what's going on?

My next - I have a Forgiveness Workshop on - I wanna say Sunday, February 8, and I have a Deep Dive Workshop on the 14th.

Did I say February? I meant March. Yes, March.

Sunday, March - I believe is the next Forgiveness Workshop. Of course it's free.

And then the Deep Dive Workshop - the topic by request is Letting Go of a Person.

So there are many situations and circumstances that life presents us where we have strong attachment to a person, to a relationship, and we don't have to stop loving or caring, but we need to let go of that attachment that's causing our suffering.

So that is the Deep Dive topic by request in March, and I believe the date is Saturday, March 14.

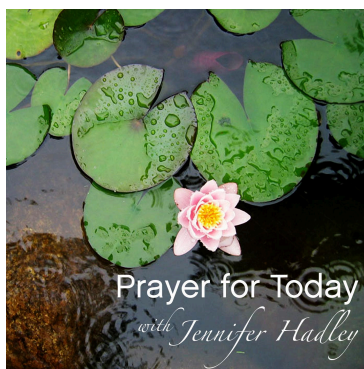

So that's what's coming up.

All the details at powerofloveministry.net.

And I love you.

Have a miraculous day claiming all the healing that you can handle - and even some that you can't.

Love you.
