## **Prayer for Making Higher Choices**

Hello Beautiful,

This is Jennifer Hadley, and our prayer for today is for making higher choices - making higher choices than we've been making, spiraling up.

Yes.

We place our hand upon our heart, take that breath of Love and gratitude, and we give thanks that we're spiraling up.

We give thanks for the opportunity to spiral up higher and higher in our vibration, higher and higher in our loving choices.

We are grateful and thankful to give up the lack and attack thoughts and focus on dynamic wisdom pre-installed within us.

The gifts of God are ours today and every day to share.

We are grateful that in this world, in order to have something we need to give it away - to have, give all to all.

So we're grateful that we can make higher choices in the giving and the receiving.

We're making higher choices in our thought patterns, in our activities.

We are grateful to be willing to give and receive Love and compassion.

So grateful to rise up above the battlefield with more peace, more Love, more joy, more clarity and continuity - more, more, more.

We're so grateful for all the Love and all the Light that is ours now and forever.

So grateful to accept the gifts of God today, grateful to make higher choices.

So grateful for the opportunities that we have to go the other way.

We share the benefits with everyone everywhere because we are eternally one.

And we let it be.

And so it is.

Amen. Amen. Amen.

Yes, thank you for praying with me today. Thank you for being my prayer partner.

So good. Yes.

And what's going on?

Masterful Living is open for one more week - not quite, now until Monday evening, Pacific Time, midnight Pacific.

That's what we're doing - opening registration.

You can slip in right now. People are jumping in, and we're getting them settled and situated.

So good.

This year is extraordinary. This is a year of extraordinary change and so much support in the invisible, so let's grab it all. Let's enjoy it all. Let's use it all and make the most of it.

Yes.

I love you.

Have an amazing, beautiful, and powerful day making higher choices.
