Prayer for Remembering Our Eternal Life

Hello Beautiful,

This is Jennifer Hadley, and our prayer for today is remembering our eternal life - that we are eternal beings, infinite beings, unlimited, unprecedented.

This is our true divine nature.

So we place our hand upon our heart, and we are grateful and thankful to remember the truth about ourselves.

We are grateful that we are eternal - that there's no end and no beginning.

We are grateful to anchor our life and all of our relationships in our eternal reality: infinite Love, infinite truth, infinite wisdom.

We are part of an infinite field of perfection, wholeness, beauty.

We are grateful to remember our eternal nature - that we are not bound in time, in space.

No matter how much it feels like it, we can liberate, and we are choosing to do so right here and right now.

Prayer for Today

Giving up our attachments to believing in lack and limitation, and we're moving into a true acceptance of our eternal, infinite nature.

So grateful to remember the truth about ourselves and to give up the worry, the doubt, the fear.

The habit of feeling stuck in time, in space falls away, fades away because we are truly only existing in the eternal now moment.

And we're willing to remember that fully, and to live in accordance with truth.

We consciously share the benefits of our healing, of our eternal nature, of our remembrance of the truth about ourselves and all life.

Share the benefits with everyone everywhere because we are eternally united in the One.

We let it be.

And so it is.

Amen. Amen. Amen.

Oh, that feels good. So, so good.

Yes, thank you for praying with me today.

Thank you for being willing to remember our eternal, infinite, unprecedented, unlimited nature. Ha ha ha ha.

Yes.

All right, what's going on this week?
