Prayer for Self-Forgiveness

Hello beautiful this is Jennifer Hadley and our prayer for today is for healed and holy relationships so grateful and thankful to open our hearts and minds to the infinite possibilities in our relationships, so grateful to place our hand upon our heart and to focus on love and gratitude, love and gratitude lift us high. We are grateful to call for holy relationships, we are grateful to open ourselves to seeing and knowing and feeling clearly what the truth is about all of our relationships so grateful to allow ourselves to take full responsibility for our feelings for our experiences so grateful to allow ourselves to be that point of love that place of healing in our relationships taking responsibility being willing to see with clear eyes being willing to open ourselves to greater experience of love being more receptive to love more available to love, love throat flowing through our heart and our mind. We are choosing healed and holy relationships and it starts with our mind so we welcome new insight and clarity about ourselves about our relationships about everyone in our lives we are grateful to see things clearly we are grateful to remember the true of our being and we are grateful to allow ourselves to rise up above the battlefield so grateful to cultivate real humility, real compassion, genuine insight we're sharing the benefits with everyone everywhere because we are eternally one with them in gratitude we allow it to be and so it is amen amen. Amen so good thank you for praying with me. Thank you for being my prayer partner. Thank you for the willingness to have healed and holy relationships yes OK what's going on?
