## Prayer for Walking the Talk

Hello Beautiful,

This is Jennifer Hadley, and our prayer for today is for walking the talk. We're walking the talk of Love. We're walking the talk of peace.

We're walking the talk of harmony and joy, freedom.

We're grateful. We're thankful to recognize that the power of Love is already pre-installed, already within.

Yes.

We are grateful to open our hearts and our minds to that field of Love that is our true nature, our true identity.

We live and move and have our being in this field of Love. We are a part of it. We are one with it.

And we are grateful and thankful to walk the talk in this field of Love.

All regrets fall away. All guilt and shame dissolve and resolve permanently back to the root cause.

We are opening ourselves to our own innocence.

# Prayer for Today

*with Jennifer Hadley*

We're walking the talk in ways that feel unprecedented, unlimited.

We are grateful to give ourselves this grace. The grace of God is awake and alive within us.

The power of Love goes before us, behind us, beside us, in all ways.

So we're walking the talk, and we're walking in the field of Love. We're walking in the way of Love.

So grateful to allow ourselves to truly walk the talk, to have a deep commitment to being as loving as we can be.

We are cultivating that great willingness that transforms our whole life into a beautiful place of Love, of Light.

We are consciously sharing the benefits of our walking the talk with everyone everywhere because we are eternally one with them.

We allow it to be. We let it be.

And so it is.

Amen. Amen. Amen.

Yes, oh so good. So good to be willing. I love it.

Thank you for praying with me. Thank you for your willingness to walk the talk. So good.

All right, what is going on?

We have just a couple of days left for Masterful Living registration and then it's over until next year.

So if you would like to jump in, now is the time. Now is the time.

And you can always book an exploratory call with one of the spiritual counselors who can tell you anything about our programs that you'd like to know because they have done them.

And I love you.

Have an amazing day, a beautiful day, a glorious day walking the talk.
