## Prayer for Saying Yes to Spirit

Hello Beautiful,

This is Jennifer Hadley, and our prayer for today is for saying yes to Spirit - saying yes to our Higher Holy Spirit Self, saying yes to inspiration, divine guidance.

We place our hand upon our heart, and we are grateful and thankful to allow ourselves to truly know and remember the fullness of Love is what we are.

We are grateful to open ourselves to inspiration and to allow the inspiration to freely flow.

We are grateful that we can always say yes or no, but we allow the inspiration to flow.

We are grateful to invite dynamic divine downloads that are clarifying and purifying and lift us up, raise us up above the battlefield.

We're grateful to allow ourselves to release any and all trepidation, fear, worry, doubt that we'll be asked too much, or that we'll be asked to do something we don't wish to do.

We are grateful and thankful to know that God is always for us, never against us.

God is not testing us or punishing us in any way, shape, or form.

We are the beloved of the Beloved, and we are divinely supported and guided every day, in every way.

We are opening ourselves to that clear Love and support, that inspiration is making our path easier, more beautiful, more clearly lit with Love.

The Light of God's infinite Love shines within us and clearly illuminates divine guidance and inspiration that is nurturing, supportive, and liberating.

We share the benefits of our willingness to say yes to Spirit with everyone everywhere because we are eternally one with them.

In gratitude, we let it be. In gratitude, we know it's done.

And so it is.

Amen. Amen. Amen.

Yes, yes, yes, yes.

Thank you for praying with me. Thank you for being willing to say yes to Spirit today and every day.

We are rising up together.

And what's going on?

Sundays with Spirit is today. I will be there. Hope to see you there, and of course it's free. All the details at [powerofloveministry.net](http://powerofloveministry.net).

In two weeks - on the 15th - I have my Deep Dive Workshop. It's about Letting Go of a Person, so when we have a strong attachment, it feels like we just can't let go - we're obsessing, there's compulsiveness. I know a lot about this, and we are going to heal that together.

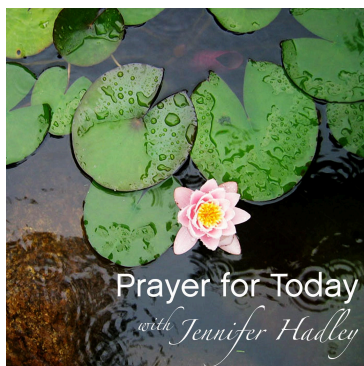

So that is on - I believe it's Saturday the 14th.

And then Sunday the 15th, I'm doing my next Forgiveness Workshop. I had to move it from the 8th, so it's the 15th.

And may you have a beautiful and blessed day absolutely saying yes to Spirit.

Let's discover how good it is together.

I love you.
