## Prayer for Being More Effective

Hello Beautiful,

This is Jennifer Hadley, and our prayer for today is for being more effective.

Yes, being more effective - not wasting our time and energy running around on ego errands.

We place our hand upon our heart, and we take a breath.

Love and gratitude is where we place our focus.

We are choosing healing right here, right now.

We're choosing to open ourselves to clear insight, inspiration - new ways of understanding ourselves that are effective.

New ways of walking in the world that are more effective.

New ways of being in relationship that are more effective.

We're opening ourselves to all the opportunities we have to move out of ego habits that expend our energy and waste our time, and into Spirit-led, Spirit-guided, Spirit-inspired ways of living our life.

So grateful to choose to be more effective.

So grateful to give up trying to figure everything out on our own.

We're opening our mind to the wisdom of the Holy Spirit.

We're opening our heart to the healing of the Holy Spirit.

We're so grateful we don't have to push density all the time. We don't have to make things happen all the time.

We can allow the healing, allow the transformation, allow the expansion.

And it's beautiful. It's powerful.

So grateful to open ourselves to all the good in our lives.

We share the benefits of being more effective with everyone everywhere because we are eternally one.

We let it be.

And so it is.

Amen. Amen. Amen.

Yes, so good. So, so good. Ha ha.

All right, so what is going on?

First, thank you for praying with me. Thank you for being my prayer partner.

And what's coming up is I have a free Forgiveness Workshop on Friday.

And I have my Prayer Power class starts - I believe it's April 4, the first Monday in April.

So this Prayer Power class - I've been doing this class for a long time, and it is a powerful way to deepen your spiritual practice and become very effective with your word and with shifting your consciousness, developing trust.

So if any of that appeals to you, consider my Prayer Power class. It's a four-part class, four classes.

And those are the things that are coming up.

I feel like there's more, but I can't think of what it is right now.

So have a powerful, beautiful, effective day.

I love you.
