## Prayer for Choosing to Be Happy

Hello Beautiful,

This is Jennifer Hadley, and our prayer for today is for choosing happiness.

We are giving ourselves the gift of happiness.

We're allowing ourselves to relinquish the blocks to Love so that the Love can flow and we can experience the peace, the harmony, and the happiness that comes with living a loving life.

We are grateful that happiness does not come from the outside. It comes from the inside.

Therefore, we can allow it.

We can allow ourselves to be led and guided by that Higher Holy Spirit Self to know and remember what the truth is, and the truth sets us free from misery, from pain, from suffering.

The truth opens our hearts and minds to the causes of our happiness within us.

Liberation is at hand.

We are choosing to live a life that is unlimited and unprecedented in insight, inspiration.

We welcome all the opportunities to know and remember the truth, to live in accordance with truth.

Oh my goodness, we are grateful and thankful to let go of any attachments we have to false beliefs and habits and patterns that block the flow of Love and inspiration, block the flow of our happiness.

We are grateful to return to our default settings of perfection and wholeness and allow the vibration of happiness to be our vibration - that we get to share and extend to our brothers and sisters.

Oh my goodness, we do.

We share the benefits of our happiness, our loving life, our loving heart with everyone everywhere because we are eternally one.

In gratitude, we allow it to be.

And so it is.

Amen. Amen.

Yes, happiness is our way.

Yes.

Thank you for praying with me today. Thank you for being my prayer partner. Grateful for you and our prayers.

Yes.
