Prayer for Hearing the Still Small Voice

Hello Beautiful,

This is Jennifer Hadley, and our prayer for today's for hearing the still small Voice.

Yes, it's always communicating, and let's be always listening.

Place our hand upon our heart, and we are grateful and thankful to open ourselves to that beautiful deep listening of Spirit - Spirit listening to itself.

That's what we are.

We are grateful and thankful, and that is part of our spiritual practice - that we are always practicing Love and gratitude.

Love and gratitude lift high, open our heart, raise our vibration so that we can be that vibrational match for Spirit, for that divine guidance and that divine download.

We're making ourselves available for inspiration and intuition.

So grateful to let go of the old idea of thinking we have to do everything ourselves, and that we are on our own, and we don't know what we're doing.

We're letting all of those thoughts of confusion, all of the despair, letting all of it dissolve and resolve permanently back to the root cause so we never experience it again.

We're opening ourselves to the clear insights of that still small Voice - the true inspiration that leads us and guides us to the highest and best choices.

We're opening our mind to that higher vision.

We're opening our heart to heart healing.

So grateful to share the benefits with everyone everywhere because we are eternally one.

So grateful to anchor into the Spirit in this way.

We share the benefits with all, and we let it be.

And so it is.

Amen. Amen. Amen.

Yes.

Thank you for praying with me, being my prayer partner today.

And what's going on?

Today: Sundays with Spirit. I'll be there. I'm speaking. I'm looking forward to it, so come and join with me. It's free.

And then on Friday, I'm doing my free Forgiveness Workshop - changing it up, doing different days and times.
