spiritual restoration we're allowing ourselves to be restored to our natural state to our pure perfection to our real

life are right mind so we place our hand upon our heart and we open ourselves to that restoration that spiritual restoration that the higher Holy Spirit self is offering us at all times we're opening

ourselves to receive that restoration that spiritual guidance and spiritual healing we're calling it forth were accepting it, allowing it receiving it making ourselves available for it we are recognizing that we are entitled to miracles miracles of healing miracles of love, miracles of freedom and Joy, we are grateful and thankful to open ourselves to dynamic clarity and creativity, harmony, and prosperity we're allowing ourselves to be restored at all levels in always, there's no limitation on our spiritual restoration so we're opening ourselves to fully receive and except and allow we're so so grateful for infinite intelligence, pure love and light which we already are so we're grateful to relinquish anything that could block our spiritual restoration any idea, belief or habit or pattern that we have the stance in the way of our wholeness and the purity of our very being this, we are grateful to surrender it. All we consciously share the benefits with everyone everywhere because we are eternally one with them we allow it to be. We let it be and so it is amen amen. Amen. today restoration I think it's something that we can all use and be grateful for and I'm glad we're opening to receive it all right, what is going on? Is this Sunday? I have a free forgiveness workshop. Also I'll be speaking at Sundays with spirit and coming up on the equinox March 21st, I'm offering my letting go of a person deep dive workshop so every month I do a deep dive workshop and March we're doing letting go of a person so all the details for everything is at [poweroflove ministry.net](http://poweroflove.ministry.net) and don't forget also pretty much every week we have my sacred Circle which is a wonderful gathering, and I offer spiritual counseling in a group setting and it's a wonderful opportunity for us to gather and to give and receive support so I love you. May have a most restorative day spiritual restoration. That's our way
