## Prayer for Teaching Only Love

Hello Beautiful,

This is Jennifer Hadley, and our prayer for today's for teaching only Love - speaking only Love - because that is what we are.

Offering only healing, because Love is what we are, and Love is the great healer.

So we place our hand upon our heart, and we open ourselves to the fullness of Love and the highest levels of healing that we're willing to accept.

And we're opening ourselves to accept the very full and complete healing that we desire.

So grateful to allow ourselves to truly live a life that is completely based in Love, in truth.

We're allowing ourselves to live a life of wholeness and perfection and beauty.

Our willingness to live a life that is aligned with truth - it grows with each and every moment.

We are so, so grateful that we can let go of the past and our thoughts about the past, and we can anchor ourselves into the fullness of God's infinite Love right here, right now.

So grateful that it is our nature to Love and be Loved.

So we're opening ourselves to truly allow life to Love us fully.

We are teaching that we are worthy of Love.

We are teaching that it is natural to be receptive to all expressions of Love.

We are dissolving any sense of unworthiness, any sense of lack or limitation, and we are expressing the fullness of God's infinite Love as our very life.

Teaching only Love because that is what we all are.

Love is activating. Love is healing. Love is nourishing. Love is inspiring.

So grateful to anchor ourselves in the perfect Love of God today and every day.

We share the benefits with everyone everywhere because we are eternally one with them.

We allow it to be.

And so it is.

Amen. Amen. Amen.

Yes, so good - teaching only Love. Yes, only Love, because that is what we are. Yes.

Thank you for praying this prayer with me today. I appreciate you.

And what's coming up?

I have my Deep Dive Workshop - and the Deep Dive Workshop is every month. I've now been doing it for over a year, maybe a year and a half.

And the March topic is Letting Go of a Person.

Letting go of a person can be very, very challenging. Sometimes we have such a strong attachment to that person, to exactly how our relationship looks or doesn't look, and the ego can get super involved.

So we're going to let go of that attachment while we're still holding onto the Love.

Yes, it's really worth knowing how to do this, and it could be any kind of a relationship - romantic, friendship, could be a child or a parent. We can all get attached.

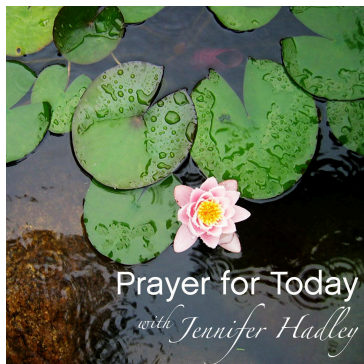

So we're gonna unhook those attachments.

And also coming up - Forgiveness Workshops definitely coming up.

So all the details for all these things is at [powerofloveministry.net](http://powerofloveministry.net).

And look for a new podcast episode. I broke my computer on my vacation, I've got a new one and I'm figuring it out, and my voice is recovering.

So I love you, and may you have a beautiful, blessed day teaching only Love.
