Prayer for A Full Resurrection to Our Loving Heart

Hello beautiful, this is Jennifer Hadley, and our prayer for today is for a full resurrection to our loving heart.

That's what's going on. That's what's happening.

We are grateful to call for a full resurrection to our loving heart. We are returning to our natural state, to our true identity.

We're letting the Holy Spirit lead us, guide us, and take us there.

So grateful and so thankful to make a holy offering of our loving heart. We're opening our heart. We're having a resurrection.

We're remembering our life purpose. We're remembering our true nature.

So grateful, so thankful to surrender any and all attachments that we have to seeing ourselves as less than or not enough.

We're opening ourselves to an awareness of the Christ nature within our very being, and we are having a resurrection to our Christ nature, having a resurrection to our wholeness and our holiness.

So grateful and thankful to allow ourselves to truly rise up. This is our destiny.

We are choosing to accept our destiny. We're giving up any idea that we should do anything else besides live from our loving heart.

So we're having a resurrection. We're having a healing. It's happening now.

And we are consciously extending and sharing the benefits to all of our brothers and sisters, to everyone everywhere.

And we are grateful to allow it to unfold with ease and with grace.

We let it be, and so it is.

Amen, amen. Amen, amen, amen. Yes.

Thank you. My cat was looking at me, so interested in the vibration of this prayer.

OK, thank you for being my prayer partner. Thank you for being willing to have a resurrection.

We are doing it, and it's good. It's very good.

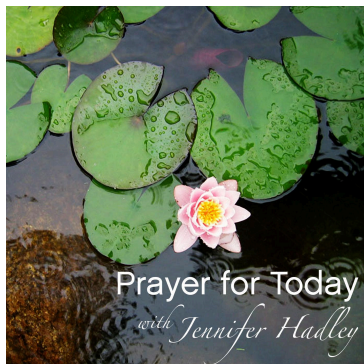

What else is going on? Today it is my Recovering from Betrayal workshop. It's my deep dive workshop. I do one every month, and the topic this month is recovering from betrayal.

It's something I know a lot, a lot, a lot about, and I'm so happy to extend and share.

What else is going on? Sundays with Spirit tomorrow, and we've got the Living A Course in Miracles free classes coming up at the end of the month.

Sign up so you don't forget. Sign up now so you don't forget about it, and there's always more to come.

I love you. Have a very lifted and shifted day.
