Prayer for Being Honest

Hello beautiful, this is Jennifer Hadley, and our prayer for today is for being honest.

Most of all, let's be honest with ourselves without judgment. Honesty does not include judgment. It does not.

We're grateful to place our hand upon our heart, take a breath of love and gratitude, and rise.

So grateful to be willing, so grateful to be willing to be willing, so grateful to be willing to be honest with ourselves.

So grateful to be willing to be honest in our heart and in our mind with ourselves, telling ourselves the truth.

We're not afraid of the truth anymore. We are willing to be honest with ourselves and recognize it is indeed the truth that sets us free.

And the truth is not unhappy. The truth is not a story of misery and complaints and victimhood.

The truth is we are part of God. The Christ is already within us. We don't have to make it happen.

We're letting go of everything that blocks our awareness of God's infinite goodness and the Christ within.

We're so grateful that being honest with ourselves means recognizing our beauty, our magnificence, our perfection, our wholeness.

Yes, all that God has given us is still ours. It has not been diminished or taken away.

We are still part of God's infinite system of love and dynamic goodness. Yes, we are an integral part, and that does not change.

So we're being honest with ourselves about how great we are. We're being honest with ourselves about how much we are loved.

Prayer for Today

with Jennifer Hadley

We're being honest with ourselves about our innocence and our perfection. Yes, we are being honest.

So grateful and thankful to share the benefits with everyone everywhere.

We are grateful to surrender any idea that opposes the truth. We let it be, and so it is.

Amen, amen. Amen.

Yes, thank you so much for praying with me today. Wow, ha ha ha, it's good.

OK, so what is going on is tomorrow is my Recovering from Betrayal workshop, which I'm really looking forward to. I always look forward to these workshops.

They're powerful, they're healing, they're good, and it's such a great time for us to let the past go and truly open and receive the healing that is ours to receive.

So if you feel like betrayal is something that weighs you down, come and join me on Saturday. It's well worth it.

And then also, what's up is the Living A Course in Miracles classes. They're totally free. They're at the end of the month.

Sign up now so you don't forget about it, and there's always more to come.

I love you. Have an amazing, beautiful day being honest with yourself.
