Prayer for Being Receptive to Healing

Hello beautiful, this is Jennifer Hadley, and our prayer for today is for being receptive to healing.

We're entitled to miracles - healing miracles, miracles of healing - and we are making ourselves fully receptive to those healing miracles.

Every miracle is a healing, and we are grateful to call forth all the healing, all the willingness, all the miracles.

We are grateful and thankful to place our hand upon our heart and recognize that the power of Love within us is a miraculous power. We are grateful to call forth all manner of support, from the visible and the invisible, for our healing, for our miraculous.

We are making ourselves completely and fully receptive and available to the healing that we desire. All blocks to Love are falling away. We are grateful to allow ourselves to truly receive all the support that is available to us - all the miraculous, supportive healing energy from anywhere in the universe.

We're open to receiving it, accepting it, allowing it right here and now. It is grateful to open ourselves to the healing that we desire, making ourselves fully receptive and available.

So grateful to surrender any idea that we're not worthy, and we're also surrendering any idea that anybody else is unworthy of a healing. Let's all have a healing, a miraculous healing, and be receptive to not just receiving it, but also extending it and sharing it so that the healing multiplies and becomes a true Niagara Falls of goodness in our lives and in the life of everyone else.

We are making ourselves available and receptive to all manner of healing and miracles. We are grateful to be so receptive. We share the benefits with all.

We let it be, and so it is. Amen, amen. Amen.

Oh, so good. Thank you so much for praying with me. Thank you for being receptive to healing. Oh my goodness, yes.

OK, what's going on? Well, this year is flying by, and I can't believe we are almost at the end of April. And on the last day of April - Thursday, April 30 - is the start of my Living A Course in Miracles series.

I haven't done one of these in a while. I'm super excited about this one, and it's a great group of teachers: John Mundy, Marc Anthony Lord, Lisa Natoli, Reverend Myron Jones, myself - and we've got eight free classes for you.

So I'm inviting you to come and join us. And again, they are free classes. All you have to do is register to get the details - register at powerofloveministry.net.

I hope to see you soon. And yeah, that's what's happening. I know, of course, in May I will have more forgiveness workshops - free ones - and my deep dive workshop. The topic is going to be healing religious guilt. I haven't tackled that topic - it was requested - so I'm happy to fulfill that request.

And there's always more to come.

So I love you. Have a powerful day being receptive to healing.
