## Prayer for Extending Love & Peace

Hello Beautiful,

This is Jennifer Hadley, and our prayer for today is for extending Love and peace - extending our nature, sharing it, offering it to our brothers and sisters so that we can truly be the peace we'd like to see in the world.

So grateful to place our hand upon our heart and say yes - yes to extending Love and peace, yes to harmony, yes to freedom and joy, yes to the infinite wisdom that is always ours now and forever.

So grateful for our divine nature, which is Love and peace.

We are like a rainbow of wisdom and clarity and freedom and joy and prosperity and wholeness and beauty and so much more.

And we are willing to express that, extend that, share that, offer that to our brothers and sisters.

We are grateful to stand in the Light of our own perfection, our own magnificence.

We are willing to share and shine that Light to our brothers and sisters and to be an inspiration.

To take our inspiration from God itself, from Love itself, from peace itself, and to extend it out to everyone everywhere.

Sharing the benefits with everyone because we are eternally one.

So grateful to remember that it is easy to teach only Love because Love is what we are.

So we're teaching Love, and an aspect of Love really is peace - it really is joy.

So Love, peace, joy - this is what we're about.

And we are grateful to allow it to unfold with ease and with grace.

*with Jennifer Hadley*

We extend and we share because that is our joy - that is our nature.

We let it be.

And so it is.

Amen. Amen. Amen.

What a blessed time it is.

It doesn't always seem like it when we look at the world, but when we look within, our consciousness is expanding, growing, extending - it is so, so beautiful.

Thank you for praying with me today, sharing with me today.

And what's coming up?

My Deep Dive Workshop is on Saturday.

I am postponing the Friday Forgiveness Workshop from the 17th to Saturday the 25th.

And I'm doing a Deep Dive Workshop on Saturday the 18th, and that topic is recovering from betrayal.

Everybody's had experiences that we interpret as betrayal, so we're recovering from that and living without that resentment.

Yes.

I love you.

Have a gorgeous, amazing, powerful, productive day.

I love you.
