Hello beautiful this is Jennifer Hadley and our prayer for today is for investing in love investing highly investing in something truly worthwhile we are grateful and thankful to place our hand upon our are and to know and remember that love is our true identity so when we invest in love, we are investing in ourselves and it pays tremendous dividends. We are grateful to open our hearts and mind to the fullness of love that we already are so grateful to allow ourselves to expand into love and to let love flow in our heart and mind so grateful to anchor ourselves in a flow of infinite love intelligence, this is our investment in that which is real, that which is eternal that which always pays off for us we're grateful to say yes to this investment in love we are grateful and thankful to allow ourselves to truly open to love's abundance and prosperity loves healing power healing vibration we're grateful that it is our nature to love and be loved so we're investing in the only thing that's real and eternal and infinite goodness we are grateful to surrender attachments to anything that stands in the way of the flow of love in our heart in our mind in our conversations and activities we open ourselves to be so receptive to the flow of love that the healing just keeps expanding and expanding the abundance, the prosperity, the wholeness, the freedom hours forever unconditionally we share the benefits with everyone everywhere because we are eternally one with them we allow it to be and so it is amen amen yes, so very good thank you for praying with me today and being my prayer partner I appreciate you very much and oh what's going on today?
