## Prayer for Living As Our True Self

Hello beautiful, this is Jennifer Hadley, and our prayer for today is for living as our true self, our divine self, our magnificent self, our innocent self.

We are living as our true self in our true identity, surrendering any belief in false identity. We're letting go of that. We are. We are.

So we're grateful to place our hand upon our heart and declare our willingness to live forever in our true identity as perfect love, pure love, and light.

We're awakening to the Christ consciousness within. The kingdom within is awake and alive within us.

We are grateful and thankful to give ourselves over to the healing of the Higher Holy Spirit Self, and we're allowing ourselves to be lifted and shifted through the love that we share.

We are grateful and thankful to truly allow our true self to shine forth, so grateful to discover how pure and perfect our true self is, how reliable our truly inspired self is.

We are grateful to let go of any idea that we are less than or not enough, to step into our full perfection.

Our humanity is a blessing to us. There are no drawbacks here.

We are grateful to allow ourselves to truly rise up and to celebrate our divinity, to live from our true identity, and to open ourselves to all manner of healing.

Anything we've taken on that does not support our life of love, we're letting it go.

We're having a healing and a clearing. We're opening our mind and our whole being to the power of love within us.

We're calling for a healing and remembering our true nature, sharing the benefits with everyone everywhere.

We allow it to unfold with ease and with grace. We let it be.

And so it is.

Amen, amen, amen.

Sweet, ha ha ha ha ha.

Thank you for praying with me. Thank you for truly being a prayer partner. I appreciate you.

And what's going on is we have the Living A Course in Miracles series. It begins on Thursday. Our program is focused on cultivating a peaceful mind. Now is the time for us to do it, yes.

And so we've got eight classes over the course of four days, and it's all free. Check out the details at [powerofloveministry.net.net](http://powerofloveministry.net.net).

I hope to see you in these classes, and yes, there's always more to come. Working on a bunch of things.

And the Quantum Counseling Training Intensive - it looks like it's going to be mid-July, starting the 11th, which is Saturday, and I think we go until Thursday, and it's just going to be absolutely wonderful this year.

So inviting you to put that on the calendar, and we'll be making an announcement about that very soon.

So I love you. Have a powerful, beautiful, healing day, living as your true identity.
