Prayer for Welcoming Miracles

Hello beautiful this is Jennifer Hadley and our prayer for today is for welcoming miracles we are naturally miracle minded, and so we're welcoming miracles into our experience into our life into our consciousness, so grateful to surrender the blocks to miracles and to welcome the miracles place our hand upon our heart take that breath of love and gratitude together and rise up into the miracle zone we're grateful to allow ourselves to truly embrace being miracle minded. There's nothing to worry about or be afraid of we are grateful to offer up to surrender the blocks to love the blocks to miracles, and to let them fully dissolve and resolve permanently back to whatever their root cause is, and we open ourselves to the floodgate of miracles we are entitled to abundant miracles. We are entitled to unlimited miracles so that starts now we open ourselves to receive the insights and the clarity, the inspiration, the divine downloads that are our miraculous life. We're so grateful to give up any idea that we're not worthy of miracles, and we allow ourselves to truly experience, extraordinary miracles here and now we are grateful to awaken this day and to truly share the benefits with everyone everywhere because we are completely and totally forever one with them so grateful to allow it to be and so it is amen amen. Amen. Yes yes, putting the past behind us and holding onto our entitlement to miracles thank you for praying with me today. Thank you for welcoming miracles with me today and what's going on today it's a full day for me forgiveness workshop 11 AM Eastern totally free and then in the afternoon part one of my four part prayer power class series
