Prayer for Accepting God's Love

Hello beautiful, this is Jennifer Hadley and our prayer for today is for accepting God's infinite love.

Oh my goodness, we are grateful and thankful to open ourselves to accept and to receive God's love everywhere present, omnipresent. God's love is in, through, and around us, and we're accepting that love, because love is what we are.

God's infinite love is ours. Yes, it is always being directed at us. It is always being awakened in us. How blessed we are.

So we place our hand upon our heart and we take a breath of love and gratitude, so grateful that we can open ourselves to infinite intelligence and all manner of dynamic, beautiful experiences of love.

Life is seeking to make itself known as love in our life, in our heart and mind. The infinite field of love is expressing, and we are allowing it. We're allowing ourselves to be shifted, to be lifted, to be up-leveled into a life of profound love.

We are cultivating the willingness to know only love, teach only love, be only love, because that is what we are.

So we're giving up that conditioned view of seeing lack and limitation everywhere. We're looking to see, to know, and to feel God's infinite flow of love. All that we are is God's infinite love.

We are grateful. We are thankful to accept the love of God into our life fully and completely. We share the benefits with everyone everywhere because we are eternally one.

We allow it to be, and so it is.

Amen, amen, amen.

Victory! Yes, we are so receptive. That is our victory. Yay God! Ha ha!

Thank you for praying with me today. Thank you for being my prayer partner. Oh my goodness, what a blessing. I know I say it every day, and I feel it every day, yes.

OK, what's coming up is Saturday, the Healing Religious Guilt workshop. That's the deep dive topic for May. Oh, I'm doing my deep dives every month. I love them. They're so good, so healing.

The other thing that's coming - yes, I am doing a wonderful class series that I'm excited about with Alan Cohen and James Twyman and Michael Mirdad and one more teacher or two.

It's called "Change Your Mind About the World" - seek not to change the world, but to change your mind about the world. That's what we're focused on, and I know this is going to be just the most beautiful thing at the right time.

The world's on fire, and we are changing our mind about the world, being a healing presence in the world.
