Prayer for Choosing Grace and Ease

Hello beautiful, this is Jennifer Hadley, and our prayer for today is for choosing grace and ease.

We're taking that breath of gratitude. We're rising up. We're lifting up. Yes, life doesn't have to be hard anymore. We're not interested in that anymore. We're choosing ease and grace, grace and ease, and allowing ourselves to be lifted and carried to new heights.

We're opening our heart and mind to the miraculous. We are entitled to miracles, and so we're welcoming the miracles with grace and ease. So grateful to allow ourselves to truly rise above the battlefield, live above the battlefield, reside in that heavenly vibration of grace and ease.

We're interested in truly knowing that we are blessed and that we are a blessing. So grateful to place my hand upon my heart and to choose grace and ease for every activity and every aspect of our life and being.

So grateful to awaken the thoughts of lack and limitation and to allow ourselves to truly live in that higher realm of perfect love. It is the absolute gift of life that's already been given to us, and we are consciously willing to live it, express it, be it, make use of it, extend it, share it - grace and ease all the way.

God's infinite grace and ease - we're giving up letting life be hard and roll over us. We are not victims of the world that we see. We are grateful to give up all victimhood, every thought and belief, every pattern and habit that makes life feel hard. We're surrendering it here and now and allowing ourselves to experience perfect love as the very ground of our being, as the very nature of our life.

Innocence, innocence - we're choosing to know and see and feel the innocence of our own being. We're grateful to share the benefits with everyone everywhere because we are eternally one with them.

We let it be, and so it is. Amen, amen, amen, amen.

Yes, oh my goodness, yes, yes. Thank you for being my prayer partner today and every day. Thank you for the holiness, for the healing, for the dynamic that our prayer partnership is. I feel so blessed today, yes.

All right, what's going on? Today is the last day for the Living A Course in Miracles classes. There's no Sundays with Spirit today because I'm doing a free class at the very same time.

So if you've missed all the other classes, it doesn't matter. Come today. A class with Lisa Natoli at 11 AM and a class with me at 3 PM Eastern - both Eastern times.

And next Saturday, day before Mother's Day, forgiveness workshop. Yes, we are doing it. The healing is happening. We're claiming our healing.

So I hope to see you sometime soon, and I love you.
