Prayer for Choosing Salvation

Hello beautiful, this is Jennifer Hadley, and our prayer for today is for choosing salvation.

We are saying yes. Yes to love. Yes to gratitude. Yes to salvation.

We're rising up above the battlefield.

We place our hand upon our heart, and we are so, so grateful to remember to choose love. So, so grateful to remember that our mind is the Mind of God. We open our hearts to an awareness of the Truth that lifts us high.

We're not just aware of the Truth - we're valuing the Truth. We're making the Truth a priority, and so we are grateful to choose salvation.

We're no longer interested in the lack, attack, limitation, and separation - this nightmare of suffering. We are choosing salvation. We're choosing to remember that we are the light of the world, and so we're willing to be that light, to shine that light, and be that salvation in our own mind.

So grateful to leave behind despair and worry and fear. We are grateful to let all negativity dissolve and resolve permanently back to the root cause so we never experience it again.

We're opening ourselves to Infinite Intelligence waking us up, moving through us, informing us.

So grateful to choose this life of love.

We are grateful to let our light shine and to experience that true salvation of God's infinite love.

We are sharing the benefits with everyone everywhere because we are eternally one.

In gratitude, we allow it to be, and so it is.

Amen, amen, amen.

Yes. First salvation. We are the light of the world.

Thank you for joining me in prayer today, lifting ourselves up high. So good, right? Thank you for being my prayer partner.

And what is going on is the Change Your Mind series begins on Saturday. It begins with a workshop with me, and then next week we have the first class. It's with Alan Cohen, and then from there we've got Lisa Natoli and James Twyman and Michael Mehrdad, and I'm excited for all of it.

"Seek not to change the world, but change your mind about the world." That's what we're about.

And what else is going on? I think that's it right now, and then we'll have more forgiveness workshops in June.

I hope to see you sometime soon, and I love you.

Have a powerful day shining your light.
