Prayer for Ending the War Within

Hello beautiful, this is Jennifer Hadley and our prayer for today is for ending the war within.

Oh yes, if you feel like you're having a battle internally, this is the prayer for you.

We are grateful to place our hand upon our heart, grateful that God's infinite love lives in, through, and around us, as us, and we are not interested in sustaining war no more.

We are done with thinking that we're under siege. We are done with attacking ourselves.

We're lifting ourselves with love and gratitude. Practice is strong. We are loving ourselves free of this internal sense of war and struggle and strife.

We're grateful that we are not designed to live in difficulty and challenges that are painful and hurtful. We are designed to live a life of love and joy, freedom and harmony, clarity and beauty, and so much more.

We're opening ourselves to release all the judgment, all the self-judgment, to the healing of the Holy Spirit.

We are grateful to allow ourselves to truly know the peace of God, so grateful to anchor ourselves in infinite intelligence and patience and kindness. We're applying all of it to ourselves.

We're developing a self-compassion that's unprecedented. We simply are not interested in being in a battle anymore. We're interested in the peace and the harmony.

The grace of God, the ease of God is where we are, so we're placing our focus on that peace, that ease, that grace, that harmony, and we are saying yes to it.

We share the benefits of our healing with everyone everywhere because we are eternally one with them.

In gratitude, we allow it to be, and so it is.

Amen. Amen. Amen.

Yes, so good. Ha ha ha.

Thank you for praying with me today. Thank you for being willing to let go of the battle. Yeah, we're letting it go.

OK, what is going on today? Sundays with Spirit - Ted Swartz is there.

And what else is going on is next Monday, Memorial Day, Forgiveness Workshop - come and join me.

And then right now you can register for my "Change Your Mind About the World" class. It is a series of classes with myself, Lisa Natoli, Alan Cohen, James Twyman, and Michael Mehrdad.

And so that is starting on May 30. Right now, get a bunch of bonuses if you sign up early, and we've got even more bonuses coming, so that's nice.

And then the other thing that's going on is I'm going to be doing my Quantum Counseling Training Intensive, which is open to anyone who would like to have a lot of deep personal healing, open up their intuition, and become a much better listener.

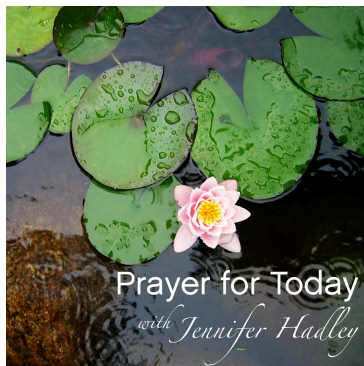

You don't have to want to be a counselor. You don't have to know anything about counseling. You can be a lawyer. You can be an acupuncturist. You can be an accountant. We've had all of those professions come and join us for the intensive.

So I'm doing it in Asheville with Marc Anthony Lord in the middle of July, and you can sign up to be on the waitlist right now. We will be opening registration later in the week.

So that is what's going on. Lotta good things.

I love you.
